SUMMER DAYS

August is the time for family holidays. It is also an opportunity to rest from the frantic activity of the daily routine that takes up much of the year. For most families that means the school run, work, shopping, evening activities. It is a time to rest and go away together before all the activity starts up again. It is a time of endings and new beginnings.

The Church needs a time of rest. Just as in the week we need a day of rest, so too in the year we need a month when all the usual routine comes to a halt. There is an opportunity to rest and plan for all the activities which will take us to next summer. Perhaps it is learning from nature, being in touch with God and the world. It is in such a sacred space that we grow our spiritual lives. Holidays are holy days.

In August we also plan for the activities which will start in September. At Hampton we will be starting house groups. Everyone on the Church Electoral roll will receive an invitation to join a house group near to where they live. Each house group will have from 6 to 8 persons. Bible study material will be provided but it will also be an opportunity to have fellowship together. The house group can decide upon the frequency of its meeting; weekly or otherwise. Letters will be going out in August about this.

I am reminded of a pointed story often told at sales meetings of a shoe factory which sent two of its salesmen to two of the new nations of Africa to survey the sales potential. A few days after his arrival, one of the salesmen cabled his home office:

SITUATION HOPELESS. NOBODY WEARS SHOES. RETURNING HOME.

A few hours later, the other salesman cabled:

FANTASTIC POTENTIAL. NOBODY WEARS SHOES. SEND SAMPLES.

Now you might apply this to the Church. On the one hand you might say:

SITUATION HOPELESS. FEWER PEOPLE GOING TO CHURCH.

On the other hand you could say :

FANTASTIC POTENTIAL. PLENTY OF ROOM IN CHURCH. SEND INVITATIONS.

The whole posture of the gospel is this positive emphasis. As we plan our activities let us see the opportunities rather than the difficulties of ministry. There is much to be achieved in Hampton, Sedgeberrow & Hinton on the Green. The Harvest is great!

comeasyouare

This year Back to Church Sunday is on Sunday 27th September.

Invitations will be available in church for you to invite those who used to come to church to join us again on that day.

Pattern of Services in August

During August the normal pattern of services takes a break. Instead there will be an 8am Holy Communion Service each week at Hampton and a 10am Benefice Eucharist at one of the churches.

On 2nd August the Benefice Eucharist will be at Hampton; on 9th August at Hinton-on-the-Green, on 16th August at Sedgeberrow; on 23rd August it will be at Hampton and on 30th August at Sedgeberrow.

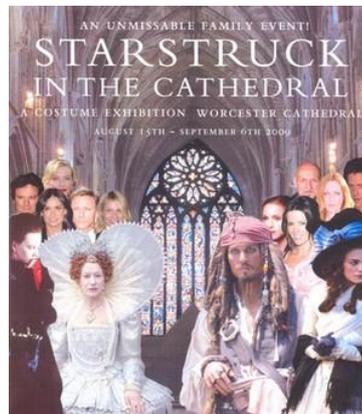

St Andrew's Church Open Days

St Andrew's Church will be open for people to drop in for a few quiet minutes on Saturday mornings. The first was on Saturday 11 July. This was a success, despite heavy rain quite a few people came into the Church including one couple who may well wish to be married here. Tea and Coffee was served. The trial will continue on the second Saturday in August, the 6th and again on 12th September which will be the Annual Cycle Ride Day which raises money to look after our many ancient and beautiful Churches. Our thanks go to John and Shirley Lynch and Phillippa Henly who made people welcome and served the refreshments.

Simon de Montfort Society

The 744th Anniversary of the Battle of Evesham annual wreath laying ceremony will take place on Saturday 1 August at Abbey Park at 10.30am. This will be followed by refreshments in the Church Hall which precede the walk up to the Battle Field. On Sunday 2 August the Service of Commemoration will be held at 6.45pm at the Battle Well off Greenhill opposite Abbots Wood. If it is very wet this will take place in St. Lawrence's Church.

Historic Churches Bike Ride & Walk

This annual fund raising event will be held on 12 September when St. Andrew's will be open to offer refreshment to participants. This Ride/Walk raises funds to help ancient churches such as ours to carry out essential repairs and restoration. Please support the participants by sponsoring them and by offering to help at our Churches.

Harvest at Hampton

The Hampton Harvest Festival Service will be at 11am on Sunday 4 October and will be followed on the next Saturday 10 October by the annual Harvest Supper. Please watch out for the place and time in the next copy of The Herald.

Minutes of the meeting held on 14 July 2009.

Members present:

Gwen Thomas, Jean Gershom, Ella Hampton, Alan Roberts, Betty Keane, Jenny Perkins, Mark Binney, Charlie Binney, Pippa Henly, Ida Roberts, Shirley and John Lynch, Ruth Cropper and, Ann Fletcher and Pam Eustace.

The meeting opened with a prayer. We used the Mother's Union Service Book 1948 edition.

Ida Roberts welcomed everyone, Mary Andrews sent her apologies. The old books we had just used for our prayers had been found in a box, and were available for us to take home.

The coffee morning made £178.00.

Ida read out the minutes of the last meeting.

Six members went to the diocesan festival at Worcester Cathedral.

The strawberry tea was a great success; Pershore Mothers Union sent a lovely letter of thanks. The raffle during this event raised £82.00. Shirley suggested we should thank Charlie and Mark for the

lovely strawberry tea, which was appreciated by us all.

The next meeting will be September 8th as there will be no meeting in August.

Names were collected for the forthcoming visit to the Pershore and Evesham Deanery Afternoon Tea, on Tuesday 21st July at Badsey vicarage.

Mark suggested that we as Mothers Union could keep in touch with children after their baptisms and also with married couples who sometimes feel a bit cut off from church after their weddings. We could send cards etc. on the anniversaries.

Ida suggested that perhaps Mothers Union could have a notice board of our own in Church.

As it was our last meeting before the summer break, members read out some of their favourite stories, poems and readings. We particularly liked the ones about grandmas and great-grandmas.

Charlie played the Produce Game with us. It was a game of challenges to see who could produce the same thing as someone else from either a handbag or pocket.

The meeting ended with refreshments.

Confirmation 5 July 2009

The first Confirmation Service to be held for a number of years took place in St. Andrew's when Bishop Christopher Mayfield admitted Aimee Booth, Katie Booth, Bethany Collins, Carl Fordham, Yva Ann Petit, Lewis Reade, Amy Louise Walker and Brian Wood to full membership of the Church. Also confirmed from Sedgeberrow: Katie Louise Brain, Laura Brain and Emily Jane Livingstone and from Hinton on the Green: Saskia Alana Robson-Davies. We were also joined by Mark and Jane Gosling who were accompanied by their Vicar, from Berrow, near Malvern.

Following the service a reception and a shared lunch were held on the Vicarage lawn.

News from Hinton

We thought that this poem, which appeared in the magazine of Christ Church Walmersley, in the Manchester Diocese was worth wider attention. It was written by an African boy.

When I born, I black
When I grow up, I black
When I go in the sun, I black
When I am cold, I black
When I am scared, I black
When I sick, I black
And when I die, I black

And you white fellow
When you born, you pink
When you grow up, you white
When you go in the sun, you red
When you cold, you blue
When you scared, you yellow
When you sick, you green
And when you die, you grey

And you call me coloured?

And finally one more from the notice board.

The weather was brilliant the afternoon consisted of stalls- raffle- tug of war- races for adults and children – duck race – a Fire Engine and Police were there to give advice (children and adults were very excited with the Fire Engine.

From the Church Magazine September 1914 – The Angelus Bell

In future there will be rung at 9am., 12noon and 6pm,. What is called the Angelus Bell. This is an ancient custom of our forefathers, and a very good one too. Its object is to bid people to say a prayer, and give those who cannot get to Church much on week-days, an opportunity of all uniting together in prayer, so that when a man is at work on his ground and he hears the Angelus, he can lean upon his spade, and offer up a short prayer to God. The following prayers have been suggested as suitable for the present time of War: "O God of Love, O King of Peace, make wars in all the world to cease" Our Father &c., Psalm 130, and if our readers adopt this custom, we are sure that it will bring down many blessings upon themselves, and upon our Country.

Hampton WI Press Release

JULY 2009

At the meeting held on 9th July, 28 members and 2 visitors were welcomed by the president, Joyce Davey

After the minutes had been read, Joyce thanked members for their support at the Strawberry Tea, which had helped to boost funds.

Future events which had been arranged included an Autumn Walk with a guide, around Tyddesley Woods, a walk around the gardens and grounds of Coughton Court in August, and a 'Traditional' Day Visit to Denman College in February 2010. Amongst the correspondence was an invitation from Ashton under Hill WI to an Open Evening on September 1st, with a talk on Elegant Georgian Worcester. There was also a briefing on the AGM resolution regarding a call for increased funding into the causes of the fall in the Honey Bee population. A report on the AGM from our Link Delegate was available for members to read.

The speaker for the evening was Barbara Maskell, who had come to tell us about her daughter's Japanese Wedding. After greeting us in Japanese, Barbara said that Japan had not been high on her list of places she wanted to visit. This had changed however, when her daughter, Sarah, met and fell in love with a Japanese student whilst working in a hotel in Germany. After they had been together for several months, she wanted her parents to meet him. There was some initial resistance from her father who had fought in the Second World War, but this was overcome by the young man's manner when they did meet. Inevitably, the couple decided that they wished to marry and moved to live in Japan in a tiny flat. As Sarah did not at first speak Japanese, and her future husband did not speak English, they communicated in German, which they both spoke well. Eventually a wedding date of November 3rd was set, this always being a holiday in Japan, and the wedding was to take place on one of the smaller main islands of the

country, where the groom's family lived. As Sarah's father and brother did not wish to attend the wedding, Barbara travelled to Japan on her own, accompanied by a large suitcase of gift wrapped presents, which all had to be unpacked on check-in, and scanned separately for security reasons.

Arriving safely in Japan, Barbara was taken to meet the groom's family before the Shinto wedding ceremony. This had been preceded by the necessary civil ceremony. Whilst staying with the groom's family she was introduced to some of the customs and etiquette of Japanese life. On the day of the wedding, she dressed in her 'mother of the bride' outfit, an elegant black suit and gold blouse. She had been unsure of the choice of black for a wedding, but was delighted to discover that traditionally the Japanese ladies wore black kimonos with gold embroidery for the first part of the wedding, so she fitted in completely. Barbara described the unfamiliar wedding customs, and having to copy the groom's mother to be sure of doing the right thing at the right time. Guests gave envelopes of money instead of presents, the parents had to stand up for the speeches, and were interviewed along with the bride and groom, and finally the parents were given gifts by the happy couple. After spending the honeymoon with the newly weds and two friends, Barbara reluctantly came home. She is now grandmother to two bi-lingual children, and is trying to ensure that they learn about their English heritage. At the end of her talk, Barbara was thanked by Sheila Harris on behalf of members. Members were then able to look at the many interesting items from Japanese daily life that Barbara had brought along, and also at her album of beautiful wedding photos

The competition for a small floral arrangement symbolising Japan was won by Janet James

The next meeting will be our Harvest Supper on September 10th, at 7.30pm in the Hampton Scout and Guide Hall. Visitors and prospective members will be very welcome.

Great and Little Hampton Educational Charity

Annual Report April 2009

In the last financial year, we were able to support the education and training of 30 young residents of the parish. Out of the income of £2221, we made 28 general awards totalling £2050 and 2 specific awards of £50.

The Trustees, however, have been concerned for some time that the value is gradually eroding of the invested lump sum of £45,000. It has until now been in a * COIF Charity deposit account which is designed to maximise yearly income but with no capital growth. That approach works well for current applicants but we also have a responsibility to safeguard the principal and ensure that the charity will benefit the young people of the parish in future generations.

In December 08, therefore, the Trustees moved the lump sum to a COIF Charity investment fund which is designed to provide growth in capital and income over the long term.

It seemed the right time to make the move as interest rates are rock-bottom anyway and investment markets will surely rise in the long-term from their current low positions.

It means that we will have very little money to disburse in November 09 in the normal way. So we have taken the unanimous decision to suspend all distribution for the rest of the current calendar year. By 2010 the amount for disbursement will hopefully have built up into a worthwhile sum and the current instability in the financial markets may have settled.

In the light of what happens to the economy, the Trustees will by 2010 have a clearer picture as to where income can best be used to support the education and training of the young people of Hampton.

3rd. We marked the halfway stage of the year by playing our monthly games of Bingo, followed by a short service led by the Vicar.

10th Our talk today was entitled 'My Time with the Gurkhas' (in the news at the moment). Dr. Richards proved a very interesting speaker, combining humour and pathos into his commentary on his photographic slides and stories of his time spent living amongst people who have a special place in the population of this country.

17th. Because the cost of coaches for our outings are having to be subsidised more and more, and a lack of numbers wishing to go to Hatton Shopping Village, today's outing was cancelled and no meeting took place.

24th Puppy Dog Rescue was the theme of today's talk by Sheila Fremelin, who takes care of unwanted, and in some cases cruelly abandoned puppies, with no official help but by way of personal fundraising and a great deal of love for her charges. Sheila held members enthralled by her account of how her mission in life began and has continued. There were many oohs and aahs from her audience and a great deal of support.

Thoughts and prayers go out to those of our members who are ill, or are unable to attend meetings. We hope to see you soon.

St. Andrew's Church Fete

Our Fete held in the Vicarage Garden on 4 July was a great success. There were a large variety of stalls a bouncy castle for the young, teas, a raffle and the band played. Winning raffle tickets were held by many people the three leaders being Donna Hailes who sings in the Choir, Jean Gersham who is a sidesman and Mrs. Morecraft. The final total for all the hard work is £760.99 which is a very useful sum towards the costs of maintaining our Church.

“A school which makes you long for childhood”

This year seems to have gone by very fast but has also been packed with exciting events which everyone will have read about in The Herald. I'm so pleased we are able to keep in touch with the parish in this way.

Our recent Ofsted visit provided a lovely confirmation of all the good things about the school.

The report began by saying: “This is a good school. Some aspects of its work are outstanding. Children get off to a tremendous start in the Reception Year where the provision is exceptionally good. Pupils’ personal development and well-being, including the spiritual, moral, social and cultural aspects are excellent.” And Parents are right to be pleased with the friendly and supported environment in which their children are nurtured and helped to flourish.” The personal development and well-being of the learners was judged to be outstanding.

The report went on to say that pupils are prepared well for their future lives and that their academic achievement is good. “Standards are well above average by the end of Year 2 and particularly high in writing. Standards are above average at the end of Year 5.” The effectiveness of the Early Years Foundation Stage was judged to be outstanding. “Children settle into school very well because of the highly effective attention to their welfare, the excellent induction procedures, and the welcoming and supportive environment in Reception. An excellent curriculum and exceptional teaching ensure that the children make rapid progress in their learning.”

The school’s curriculum and other activities to meet the range of needs and interests of the learners was also judged as outstanding. **“The wide and interesting curriculum keeps children motivated and achieving all the time. Attention to the arts and sports is exceptionally good providing many opportunities for pupils to excel in these areas. Pupils are encouraged to be outward looking and to gain understanding of the wider world and the diversity within it.”** We were delighted that the report mentioned our music and drama productions, often staged at Evesham Arts Centre being enjoyed by many people as we believe this to be one of our strengths.

Overall I couldn’t be more delighted with the inspection report. It’s a tremendous achievement and a very fitting compliment to the pupils and the staff who work so well together as a team. We were particularly pleased to get outstanding judgements for the curriculum and for how well learners enjoy their education since our primary aim is for children to be happy and to learn in as interesting a way as possible. I would like to say “Well done everyone – we are very proud of Sedgberrow School.”

Can I wish everyone a peaceful and happy Summer and I look forward to writing again with our news in the Autumn.

St. Andrew's C.E. First School

There has been so much happening at St Andrew's First School this term. The children have enjoyed a wealth of school trips to places far and near; Warwick Castle and Chedworth Roman Villa to support their learning in history, Birmingham Airport as a focus for learning about journeys and the Farm Shop, Ryton Organic Gardens and Over Farm to find out more about plants and how to grow them. They returned to school excited about their findings – did you know that the Romans ate snails?

We have also welcomed several visitors into school to share their expertise with the children. They have enjoyed hearing about the work of a beekeeper, a mechanic, and two police officers and proved expert themselves at asking probing questions.

Other highlights of the term include a healthy tuck shop with food prepared by year 3, a battle between the Celts and the Ancient Romans re-enacted by Year 5, a wonderful display of working lighthouses from year 1 and garden designs by year 5. In year 4 there are four life-sized flamingos made with great application from modrock. The children have continued to make regular visits to explore the woodland and to find out more from this superb natural outdoor classroom.

After School Club has continued to flourish, running for five days a week and often with a full house. In addition a Breakfast Club has now been opened and the number of children arriving early for this is steadily growing. Watch out for the summer activity days in August. Family Learning has again been a great success and we hope for classes to resume in September.

Our thanks must go to SASSA for an extremely active term. Hard working parents have given of their time freely and have organised frequent events, culminating in a very successful fete last week.

Confirmation classes continued through the term and a few of our pupils were confirmed on Sunday 5th July.

We are pleased to welcome back Mrs Bridgeman who is currently teaching in Year 3 following the start of Mrs Collard's maternity leave. After interviews this week we are now able to announce that Mrs Thornton has been appointed and will join us in September.

It is with great sadness that I leave the school and return to a life of leisure, but I am confident that St Andrews has a great future ahead under the leadership of the new Headteacher, Mr David Coaché.

Best wishes to all.
