NEW LIFE

Easter eggs are such lovely things! Now do I mean the eggs which come from the chocolate factory or the eggs which are laid by a hen? As it happens I like both of them! One of them has the potential of new life and one of them does not. The imposter is obviously the chocolate egg. It is not capable of ever giving life to a baby chick.

Easter is about new life. After a hard winter we can see all the signs of springtime forcing their way through. The bulbs bursting into yellow daffodils, leafless trees starting to bud, gardens showing signs of vitality. On the farm the fields are full of baby lambs and lots of rabbits! All these things are used as symbols of new life.

It is at this time that we think about what happened to Jesus. How on the Friday his disciples knew that he had died and this was the end. His body was placed in a tomb and a large stone rolled across the entrance. Very early on the Sunday some women came to the tomb and found that the stone had already been rolled away and that the tomb was empty. Mary Magdalene was standing there crying when suddenly she saw a man standing there and slowly realized it was Jesus. He who had been dead was now alive. The cave which had been a tomb was now full of new life. This is why the Easter egg reminds us of Jesus.

Just as Spring is about new life and growth Jesus promised to give new life to everybody who believes in him. This means everybody, you and I. Life can be changed. We need not be stuck in our ways. It sometimes seems that nothing changes. But it does! The spring follows from the winter and everything changes in time.

We might contemplate the times in life when we have felt trapped by something without any hope. It is then that God has rolled away the stone and released us. This can happen to a community as a whole or even a nation. Life changing events do happen and the power of God to transform is ever present. Dietrich Bonhoeffer wrote these words in prison. 'We must persevere in quiet meditation on the life, sayings, deeds, sufferings and death of Jesus in order to learn what God promises and what he fulfils. One thing is certain: we must always live close to the presence of God, for that is newness of life; and then nothing is impossible for all things are possible with God; no earthly power can touch us without his will, and danger can only drive us closer to him.'

So let us give thanks for the joy of Easter that we might celebrate life in all its redeeming fullness.

Confirmation in 2010

The Revd Mark Binney would welcome any enquiries about confirmation from both young people and adults.

There will be a number of groups meeting together to discuss the Christian faith, these groups will take place in Hampton Parish Room, on Thursdays, 22 April, 6 May, 13 May and 20 May, beginning at 6pm.

The confirmation service will take place at St. Peter's Bengeworth on Sunday 30 May at 4pm.

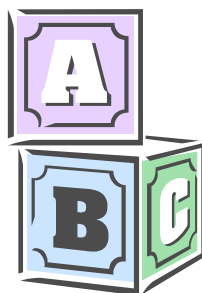

If you would like to join a confirmation course then please contact Revd Mark Binney at Hampton Vicarage on 424235. Further details will then be sent to you.

Hampton Church Fete Saturday 17 July 2010

Planning is now well under way for this important Fund Raising Event. Please will anyone who would like to be involved get in touch with Charlotte Binney at the Vicarage. Stalls are being planned and amusements and diversions devised. All ideas will be considered – we want to make it a really fun afternoon.

Toy Bags

When young children attend church with their parents it can be difficult to keep them amused and fairly quiet. With this in mind Charlie is making bags which can be filled with quiet toys, bricks, books, etc. If you know of anyone who would be willing to donate suitable small toys please contact Charlie at the Vicarage.

Hampton Annual Parish Meetings

The Annual Parish Meeting will be held in the Church following the 11am service, on 18 April. We hope that a very good number of people living in the parish will be able to attend. This is your chance to elect new people to the Parochial Church Council and to give your views on how the Church in Hampton is managed.

St. Andrew's Open Church

The next Open Church morning will be on Saturday 10 April from 10am to Noon. Tea and Coffee will be served and we will have a Traidcraft Stall. It is the intention to have these ethically sourced goods on sale at all the Open Mornings from now on so as to make it easy for people to buy these goods on a regular basis.

Sedgeberrow Annual Parish Meetings

The Annual Meetings for this Parish will be held following the Family Service on Sunday 25 April, when it is hoped that as many as possible of those on the Church Electoral Roll will be present. This is an important occasion in the parish year when issues concerning the church can be discussed.

Sedgeberrow Fund Raising

The next Bingo Session is to be on Saturday 17 April at 8pm in the Village Hall. Please support these events and help to Support Your Church.

The regular Open Church Thursday will be on 25 April from 10am to Noon when refreshments will be available and Cakes and other good things will be on Sale.

For Our Younger Readers

Benefice Youth Club

The group continues to meet regularly for learning about the nature of God and Jesus, and for prayer. A recent theme has been about encouraging one another as Christians. The course materials have been based on the Simpsons, and are particularly aimed at boys – however there are none in the group! If anyone knows of any families that would be interested in joining please contact either Rev Mark or Charlie Binney at the vicarage.

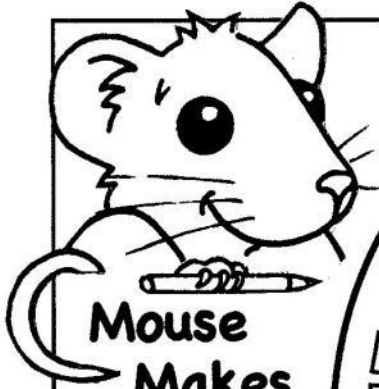

A day trip to Drayton Manor Park and Zoo is planned for the Easter holidays, to help the group who all live near each other to make lasting friendships.

Hampton Girl Guides

Hampton Guides continue to meet new challenges as the movement celebrates its centenary this year. Recent activities include an international evening when we highlighted the plight of Haiti, and participated in street dance and rock climbing.

This month, the Guides are going to a national Guiding event - a Carnival at Drayton Manor Park and Zoo, when they will be wearing various interesting turquoise costumes!

The Guides would like to thank those of you who donated Tesco vouchers last year. A first aid box, plus additional items were purchased with the vouchers. This year they are again asking for help to collect 1600 Tesco vouchers to exchange for a CD player. If you are able to donate please contact Charlie at the Vicarage.

Christian Aid Lunch

A warm thank you to all who came to share our Christian Aid Lunch on Sunday 7 March. We would also like to give a special thank you to all those people and businesses who donated time and goods to make this such a success.

As a result of your generosity we were able to send £125 to Christian Aid, and nearly £76 was raised on the Traidcraft Stall for that charity.

Traidcraft goods will now be on sale in church during the Church Open mornings on 2nd Saturday of each month. Do come and support this worthwhile cause.

This year Christian Aid Week is from Sunday 9 May to Saturday 15 May, when Christians all over the country will be raising money to help end poverty. You can help by donating through the Christian Aid envelope in your May magazine. *Together we can make a difference.*

News from Sedgeberrow

Our next Bingo is on 17 April at 8pm in the Village Hall.

The April Coffee Morning is on Thursday 22 April 10am to Noon in the Church when there will be cakes on sale.

It is with much sadness we record the death of the Reverend Johnston Johnston-Hubbold, aged 90, on 15th February. The Revd Johnston Johnston-Hubbold was Vicar of Great Broughton (1955-1959), Rector of Sedgeberrow (1959-1973), Curate in Charge of Hinton on the Green (1972-1973), Rector of Sedgeberrow with Hinton on the Green (1973-1992)

The Lantern Service

On the Tuesday in Holy Week, in the School-room at 8pm there will be a Lantern Service for grown up people only.

What is a Lantern Service?

This Lantern Service will be a Service of a few prayers and hymns with a description of what took place during Holy Week and Good Friday, illustrated with lantern slides.

What is the Object of it?

The object of it is to bring home to our minds the reality of the terrible Suffering of our Blessed Lord for us, and the greatness of His love and goodness.. It is therefore a very solemn service and while we hope that everybody will come at the same time we trust that if there is anybody who could not behave himself on such an occasion (which we hardly think could be the case) he will at least respect the feelings of others by staying away. The pictures illustrating the service are most beautiful.

These services are becoming very general and are highly appreciated everywhere by all classes.

News from Hinton

SPRING IN HINTON

What glorious sunshine we are enjoying at the moment, although by the time you read this it might well be cold and wet. Robert Browning's famous line "O to be in England now that April's here, "is all very well, but surely March is far more exciting, being the harbinger of Spring.

The Vernal Equinox, the first day of spring, occurs on March the 20th this year. The build-up to this time brings so many flowers, signs that life continues as it has done for ages, but when you see the celandines, snowdrops, aconites, daffodils, and primroses, to name but a few, do you ever wonder why they are almost exclusively white or yellow and that the more garish colours come out later?

For many years on the farm, Spring did not mean flowers, seeing buds on the hedgerow, catkins or hearing the first lark song (we think that was today, March 7th incidentally). It was the harvesting of the first crop that had not been planted in the Autumn, such as sprouts, leeks, cabbage etc. It was RHUBARB. The early variety Timperley would be fit to pull by mid month, even without a protective covering of straw. Most of this is still in the future, but the nicest thing about the future is that it always starts tomorrow!

Minutes of the Mothers' Union Meeting March 2010

Members present: Ida and Alan Roberts, Revd Mark and Charlie Binney, Gwen Thomas, Pam Eustace, Jane Bluett, Jean Gershorn, Pippa Henly, Jenny Perkins, Betty Keane, Ruth Cropper, Norma Read,

The minutes of the previous meeting were read.

Matter arising:

Teddies and first size only of the babies jackets are needed, but nothing else. Various items need to be blessed before giving to the Diocese.

Betty will do prayers for April.

Apologies from Shirley and John Lynch, Ella, Mary and Pat Smith.

Pippa asked if Shirley or John could let a member know if they are unable to come in order to reorganise the lifts for others.

Deanery Festival: This will be on 25 March at St Andrew's Church at 7pm. Refreshments have been offered.

Readers and greeters have been organised. There will be enrolments and welcomes during the service.

John, Jenny and Alan will be enrolled during the service.

There will be visitors from Uganda coming to this deanery in the summer. In order for this to take place we need to help raise funds. Ida suggested that the collection from the Deanery Festival go towards this.

A summer outing is planned in May, to include lunch. More details to follow.

Betty spoke about prayer partners. Everyone in the group should have one.

Charlie has been appointed on the Faith and Works Committee for the Diocese.

Revd Mark began his talk on church vestments. He spoke about how the church had used colour from mediaeval times to the reformation. However, after the reformation the purer tones were popular. In some cases preference for the protestant remains, for example painting walls white, and also by having black and white vestments. Mark demonstrated this by showing his robes; black cassock and white old English surplice with a black stole. Even recently some people did not like the use of colour. In Victorian times colour started to come back into fashion, evident in stained glass windows. Black is used for funerals – but Mark uses purple.

Stoles have come back into fashion and have various symbols on them. Gold is only used on Easter and Christmas Day. Mark explained the use of the chasuble and how the stoles are hidden when worn under it. He also talked about how the vestments are matched to the altar frontals. The current collection in St Andrew's is showing signs of wear, and new vestments and frontals will be needed. He suggested that the Mother's Union might want to consider donating a white frontal for weddings and baptisms.

Ida thanked Mark for his talk and the meeting ended with refreshments.

The readings, as printed on the weekly sheets, are listed at the back of the magazine. Those who read at Hampton will, as usual, receive a printed list for the quarter and a copy will be on the notice board in church.

Michael Hunter

HAMPTON WI - March 2010

After welcoming members to the meeting, held on 11th March, the President, Joyce Davey, confirmed events which would be happening during the year. During March, ten members were attending a 'Day at Denman', when they would be given a tour of the Denman College facilities. Several members were attending the Annual Council Meeting at the Three Counties Showground, and we would be entering a team for the Group Quiz to be held at Badsey at the end of the month. In addition some members were going to see the EODS production of 'Honk', a musical about the Ugly Duckling. During the rest of the year, there were plans for several possible outings, including a Worcester Walk, visits to Hidcote Gardens and Charlecote Park in the summer, and Webb's of Wychbold nearer Christmas. It was hoped to hold a lunch at The Kings Court Hotel at Alcester in lieu of an August meeting.

As we had been forced to cancel our New Year Dinner in January, due to the bad weather, it was agreed that in 2011, this would be held in February. There was some discussion as to venues and whether to have a lunch instead of a dinner.

Our speakers for the evening were Michael Worton MBE and his wife Maureen, who are the driving force behind the charity, Chernobyl 2000. Michael began his talk, by reminding us of some of the details of the Chernobyl disaster, which took place nearly twenty four years ago in April, 1986. Although Chernobyl itself is in the Ukraine, because of the direction of the prevailing winds on that day, most of the radioactive dust was blown towards the neighbouring country of Belarus. This contaminated the whole country to varying degrees, and the population have been living with the consequences ever since, and will continue to do so for untold years to come. The contamination of the land means that

the food the people eat is contaminated, and the incidence of cancers has increased. In particular thyroid cancer has increased by 4000%.

Michael and Maureen first became involved when their son took in a couple of little girls who came with a party from Belarus for a holiday, and they got to know the interpreter who was accompanying the party, who had come to England for a month. Michael explained that a month here would add two years on to the life of a child, as they would have a chance to eat uncontaminated food, and drink fresh milk, which they can't do in their own country. From speaking to the interpreter, Michael and Maureen realised what a dire situation most people were in, and six months later Michael decided to drive to Belarus with two vans of necessary supplies. After being arrested at the border they eventually arrived in Minsk, the capital.

From those small beginnings the charity has grown, and now convoys of large trucks make the journey, packed with anything from washing powder to hospital beds, or school equipment to disposable nappies. All items are donated, along with money, as it costs about £2000 per truck to make the journey. Evesham Hospital had donated hospital beds and bedside cabinets when one of the wards was being refurbished. Everyone involved with the charity donates their time, and it seems to be a full time job collecting donated items from all over the country.

Michael and Maureen finished by showing a DVD of one of the convoys leaving Bredon Hill Middle School. The charity has strong links with the school, and pupils have accompanied some of the convoys. Members were left full of admiration for the couple, who have done so much to help improve the lives of the people of Belarus.

The next meeting will be held on 8th April, when Louvain Beer, will give a talk on Food Safety in the Home, entitled 'Honey I've Poisoned Your Lunch!'

Visitors are always welcome at our meetings. These are held on second Thursday of each month in the Hampton Scout and Guide Hall, beginning at 7.30pm.

Hampton Friendship Club Diary

3 February - After a social game of Bingo, the Vicar conducted a short service

10 February – A member of the West Midlands Police Force gave a talk on Security in the Home. This covered all aspects, was very humorous at times, and gave us much food for thought

17 February – What a gloomy day, weatherwise, for today's Shopping Trip to Redditch. Nevertheless, those members who went along thoroughly enjoyed browsing and buying, and pausing for refreshments, and we got home before the heavy snowfall!

24 February – Roger, from Wiltshire Farm Foods, was full of information and enthusiasm for his job, as he told us of the aims and accomplishments of his company. We were all invited to taste the three main hot meals and three puddings, he produced at the end of his talk. A very efficient speaker!

Plans for April

7 April – Social Bingo and a short Service.

14 April – We shall listen to a talk about Save the Children Fund when Muriel Mitchell will speak to our group on the work of this charity and will bring us up to date on what they are doing in Haiti.

21 April – This is our outing when members can celebrate the Club's 38th Anniversary at lunch together.

28 April - Drama from Pershore. The Forty Minute Theatre Group will perform a variety show for members

Mothering Sunday at Hampton

Mothering Sunday this year coincided with our regular Second Saturday of the Month Open Day. When the Guides who helped to make 100 bouquets delivered them to the Church, they were photographed with some of our visitors.

Mothering Sunday which always falls on the fourth Sunday in Lent gives a very welcome break from the solemnity of the season. The Revd Patrick Wooster celebrated Holy Communion after which the flowers were distributed to almost all of the congregation.

Our grateful thanks go to Tomlins the funeral directors who gave us hundreds of daffodils for our bouquets, they smelt lovely. Also thank you to Ivy Pullin, Diane Langston and the Guides for making the bouquets.

Simnel Cakes, which have been known since mediaeval times, were originally a Mothering Sunday tradition, when young girls in service would make one to be taken home to their mothers on their day off. The word *simnel* probably derived from the Latin word *simila*, meaning 'fine wheaten flour' with which the cakes were made.

Nowadays these cakes are more associated with Easter.

"A school which makes you long for childhood"

Our whole school music workshop on African Drumming was a great success. Drum Love were wonderful with the children and every class had a chance to work on different rhythms and sounds with the drums and percussion instruments. Parents were invited in at the end of the afternoon so that each class could show what they had learnt. It was a very impressive concert and we will certainly be hoping to rebook for next year.

Fund-raising for our new quiet area and shelter continued with a 'crazy hair' day at the end of the half-term. Having started with a sponsored bounce last summer and continued with non-uniform days, cake sales and FOSS contributions we are now in a position to start creating the area which is very exciting. We have also received a donation from the Duckworth Trust towards planting.

Our half-termly inter-house competition was artwork and won by Glebe. Since Isbourne won the football inter-house competition in October and Queen and Glebe tied for first place in the Christmas Quiz things are starting to get really exciting. Our next competition will be writing Easter poems and decorating Easter eggs.

May we wish everyone in the parish a very Happy Easter.

St. Andrew's C.E. First School

At St Andrew's we have been working very hard since September to improve our standards in Writing in all subject areas. We are doing this by spending time learning phonics-based spelling in each class every day and having targets to work towards for every child in Key Stages One and Two. We also have lots of support for children who need any extra help with writing including Teaching Assistants and Teachers working with small groups, 1-1 Tuition for selected pupils and new ICT software to support writing development. Our progress since the start of the year shows that all of the effort made in this area is beginning to pay off and as a school we are getting better at Writing within all areas of the National Curriculum.

Our school offers a wide range of extra-curricular activities which provide all pupils with opportunities to practice and learn beyond the school day. We currently have clubs for ICT, Gardening, Dance, Football and Golf, as well as an After School and Breakfast activity club throughout the week. During the school day we provide music tuition for flute, violin, ukulele, guitar, recorder and ensemble. Through external providers we are also beginning to successfully develop our sports skills - as demonstrated when we won the Evesham School's Rugby Tournament at St. Egwin's last week. Well done Year 5!

We have invested in a lot of new computer equipment this year. Each class has access to a group set of computers with a range of software and an Apple iMac for media editing in every class. There is also a whole class ICT area which allows timetabled access to a PC for each child. Our teachers are learning how to use Apple MacBooks to plan and deliver media-rich interactive lessons and we are currently upgrading our Interactive Whiteboards in each class to next-generation widescreen SmartBoards. We will be starting to use a new Learning Platform to support parents in using ICT with their child and enabling home access later in the year for all families who attend St Andrew's.

Open the Book

St Andrew's school is visited by Revd Mark, with Charlie, Cath Lattimer and Susan Horsman, each week to take an assembly. This gets the pupils involved by donning costumes, acting their parts and speaking. The planning for each week includes making or preparing costumes and props.

Each week a different part of the Bible is read, with the story following on from one week to another. The team have recently finished dramatising Exodus and the parting of the Red Sea!

One young boy told Revd Mark "I love Tuesdays!," when asked why he replied "because it's Open the Book day!"

HINT OF THE MONTH

Cheese and Celery Fritters

Makes approximately 16

8oz Cheddar Cheese

6 sticks of celery

2oz Self Raising Flour

Salt and pepper to taste

Pinch of nutmeg

2 Eggs

Butter or oil for frying

Finely grate the cheese into a bowl.

Scrub and chop the celery very finely, and add to the cheese.

Stir in the flour, seasoning and nutmeg.

Bind together all ingredients with the beaten eggs, to form a fairly soft dough.

Heat the butter or oil in the frying pan.

Drop the mixture in teaspoons into pan, and fry on both sides until golden and cooked through.

Drain on absorbent paper, repeat using remaining mixture.

Serve HOT.

Synergy 2010

Synergy 2010 will take place on the Crown Meadow, Evesham from Wednesday 2 June -Sunday 6 June.

This inter-church event is for all ages with workshops for young children and youth as well as the "young at heart".

The following teams are involved in the organisation of the event: Kids Team, Youth Team, Young at Heart Team, Stewarding Team, Café Team, Catering Team, Site Team, Advertising Team, Follow up Team, Prayer Team, First aid Team, Detached Team, Worship Team and Security Team.

For more details on each team, see information on the Church notice board or ask Ray Edwards, who has application forms for those willing to assist in any way.

She can be contacted on 01386 443683.

More helpers are needed to supervise the 5-10 year olds, as we must have 1 adult for every 8 children.

Teams are meeting once a month.
