## Intimidation or silliness?

It was very disappointing to hear about the Christian nurse who was ordered to remove her crucifix from around her neck at work. Mrs Chaplin lost her Employment tribunal case in April against the Royal Devon and Exeter NHS Trust. The tribunal said that the Trust had acted in a reasonable manner, and that the wearing of a cross was not a “mandatory requirement” of Mrs Chaplin’s faith. It seems that a Muslim can wear a hijab which is certainly not a requirement, but a Christian cannot wear a crucifix which is the most important symbol of Christian faith. The tribunal has ruled that a cross ban is not discrimination. It is hard to understand how they could have arrived at such a ridiculous conclusion.

This may be one case but you have to add it to all the other attempts to reduce the influence of Christianity in this country. It seems that a vocal minority have taken it upon themselves to make Britain a secular society. At every opportunity they attempt to erode the religious heritage of the U.K. The renaming of Christmas by local government is a prime example. Also on forms the ‘Christian name’ is replaced with ‘forename’. On buses there are adverts for atheists saying ‘There is probably no God’. Even the year is now prefixed Common Era (CE) rather than the Year of our Lord (AD). Now they have started on Easter.

We decided at Hampton to buy some Holy Week posters this year for the congregation to display as well as using them in the Good Friday Procession of Witness through Evesham. At the same time we purchased a flag version of the poster. All it said is “**This is Holy Week**” and had a large image of the crucifix on it. Everybody thought it added something special to the most Holy Week of the Christian year. However Wychavon District Council Planning Department objected to our flying the crucifix from the flag pole. They had received a complaint about it and said that we needed to apply for planning permission for an advertisement if we wished to fly our Holy Week flag again!

On May 6th we will all have an opportunity to vote for the future of our country. As Christians we should stand up for our faith and question the candidates about where they stand on these issues. We can do something about the drive towards a secular Britain if we support the candidates who display Christian values. The majority of people in this country profess to being Christian. It is important to use that voice in decision making rather than saying nothing. Politics is too important to be left to the fanatical few or those who have wounded our country by the erosion of all that is good.

## Synergy 2010

Synergy 2010 is now fast approaching us, and we are really excited and looking forward with anticipation to see how God will work through the whole event. The stage is booked, bands, Evangelist, children's workers, youth workshop and Young at Heart are all in place. We have been privileged to see God put in place the entire programme ....something much better than we could plan. Synergy 2010 comes out of a heart to see people continue to hear the Gospel in our local area, and we believe this is the beginning of a long awaited move of God on a scale we have not seen for many years in the Vale of Evesham and beyond. This is a tremendous opportunity for the united Church of Christ to be used to make a real impact in the area and has the potential to grow into a major event which could take place on a regular basis, perhaps every two years. The Synergy steering group have felt for some time that Hope 08 and Synergy 2010 are just the start of something much bigger.

The cost of this event stands at £17,000. Again, we have seen God work wonderfully regarding provision of finance for Synergy. Money has been received through monthly support and personal gifts. A number of churches have held gift days and we invite you to join us in giving financially to Synergy. As we give, so we invest into the Kingdom of God and into peoples' lives, we would ask you to pray and ask God to suggest an amount you can give to make this event possible.

If your church is not holding a gift day, but you would like to give, please contact our Treasurer Steve Hewit at [synergy2010@live.co.uk](mailto:synergy2010@live.co.uk).

As well as the main event there are other really exciting opportunities which seem to be unfolding before us. When we have more information we will let you all know. God bless

## Easter Lilies

The Altar Guild would like to thank everybody who so generously donated to our Lily Fund for Easter. The flowers looked magnificent and the Church was wonderfully decorated.

## Christian Aid Week 2010

We held our very successful lunch to support Christian Aid during Lent, but the main focus of Fund Raising for this organisation falls in May. All subscribers to The Herald will have received a Gift Envelope with their copy and we are asking for them to be returned to Church on either 9 May or 16 May which encompass Christian Aid week.

Christian Aid supports Christians who are facing adversity and poverty both here in the UK and abroad in such places as Darfur and all the money we can raise is used as effectively as possible to spread the Christian Word, and to support people in their Belief.

## Celebration – The Marriage of William Wakefield and Susan Horsman

It was with great joy that many from the congregation of St. Andrews and the friends of the happy couple witnessed the marriage of William and Susan on the lovely sunny

Saturday of 10 April. We all wish them many happy years together.

## Ladies Pamper Evening

This event, held on 20th March in the Community Hall, turned out to be a lovely, successful, evening, with a wide age range of ladies attending, from teenagers to some in their eighties. We have already been asked by both visitors and stallholders, when we are going to have another one.

The Fundraising Committee would like to extend a big 'Thank You' to all those who came and supported us, donated items for the Raffle and the 'Bits and Bobs Stall' and all who helped on the night. A special 'Thank You' goes to Hampton Farm Shop who most generously donated the fruit which was the centrepiece of our 'nibbles' table.

We are pleased to say that £276.22 was raised for Church Funds.

## Broadway Music Makers

Musical Director – Charlotte Binney  
Concert in aid of FreyaBeya  
Lifford Hall, Broadway  
25 and 26 May at 7.30pm  
Tickets £6.30 including refreshments  
from Charlotte Binney or on the Door

FreyaBeya is a small musical charity set up in memory of Freya to raise money to enable special needs schools to buy in live music. The Arts are sadly very much forgotten within the narrow constraints of the National Curriculum! FreyaBeya would give total freedom to teachers to introduce children to ANY type of music, allowing it to be child-led rather than curriculum-led. THIS IS A HUGE PLUS!! The music could range from Soundabout-type stuff (resonance boards right through to high-tech sound beams) through to any type of genre, depending on what motivates the child.

To date FreyaBeya has provided many schools with music.

## Fund Raising Project

We are looking for a few people to help with the preparation of a large patchwork quilt top, which we have been given. We want to finish this and raffle it at a future date; we should be able to raise a useful sum for Church Funds. Jenny Perkins has very kindly agreed to have a working party at her house on the afternoon of Wednesday 5 May. We are looking for volunteers to help complete this quilt, please let Jenny on 49161 or Shirley Lynch 553392 know if you would like to be involved in this project.

## Benefice Youth Club

Despite the cold weather the Benefice Youth Club enjoyed a great day out to Drayton Manor Park. All the members were able to invite a friend, which will hopefully help to increase the numbers in the Youth Club.

A superb day was enjoyed, with some facing the return journey wet through, and others with an upset tummy from all the wild rides! Members have asked me to pass on their thanks for this trip, which was supported financially by St Andrew's PCC.

#### The Heating Apparatus

Most of our readers are no doubt painfully aware of the fact that the frost broke the furnace of our heating apparatus in February

We got two estimates for its repair, and both estimates amounted to £30. This will be a very serious sum to collect and we shall be very glad to receive subscriptions, large and small, which can be handed to the Rector. It is important that we should get the repairs done before next winter if possible.

### From the Church Magazine July 1917

#### The Heating Apparatus

As our readers know only too well our heating apparatus boiler has been burst by the frost and it will cost £30 to repair. Next winter will soon be here and we have not a penny in hand towards repairing the damage. Will anyone help by collecting round the parish for this object. The Rector is doing what he can to obtain outside help but if we ask outsiders to help

us it is clear that that we ought to do what we can to help ourselves so we hope someone will kindly come forward and offer to collect.

Since writing the above paragraph we have received the following contributions; Mrs Evers £2, Lady Eady £1 1shilling, the Rector £1 1shilling, Mrs Thomas £1, Mrs Andrews £1, Lady Martin £1.

## News from Hinton

There isn't really much news this month, in fact it can't be that long since Gabrielle rang up for the last news. I'm sure her calendar has a few less days in it!! I'm also quite envious of Ann Banks' with her endless quotes from past magazines. But reading a newspaper item about an illegal immigrant trying to board a school coach returning from a trip to the Somme reminded me of a recent visitor to Hinton church. My brother, in church to wind the clock, met a 'dad and his lad' doing his home work. He asked to take a photograph of one of our stained glass windows which is a memorial to the fallen. The lad was going on a school trip to the war cemetery at Thiepval. and wanted a photo showing the name of his relation, Sidney Diston, to link to the photo he would be taking at the huge memorial. How important the change has been in the history curriculum to involve children of today in our modern history. 'Lest we forget'.

On Friday we saw two swallows. If one swallow doesn't make a summer perhaps two do, and summer is here!

## Mothers' Union Meeting

**April 2010**

Members present: Gwen Thomas, Jenny Perkins, Alan and Ida Roberts, Ruth Cropper, Jane Bluett, Pippa Henly, Shirley and John Lynch, Betty Keane and Betty Lumb.

Apologies from: Rev'd Mark and Charlie Binney, Jean Gershom, Mary Andrews, Ella Hampton, Pat Bayliss and Ann Fletcher.

The meeting started with prayers and a hymn.

The Deanery Festival on 25 March was well attended and appreciated. Our thanks to those ladies who helped with the refreshments.

The Diocesan Festival will be on 7 July at the Cathedral, starting at 7.30pm. Bishop John will be preaching.

Our Strawberry Tea will be on 13 July at the Vicarage. Invitations to Badsey and Pershore branches will be sent, but due to limited capacity the numbers will be limited to ten from each of those branches. To raise funds for this event a raffle will be held.

Mrs Betty Lumb was welcomed as our newest member.

The speaker for this meeting was unwell so Ida bravely stepped in to give a talk on all her years working in Girl Guiding. This involved much training but a great many fun times. She even took a unit of Guides to Switzerland in 1984.

The meeting ended with refreshments.

## Hampton Friendship Club Diary for March

3 March - As ever on our first meeting of the month, our Bingo session was followed by a short Service, this time conducted by our vicar, and his jelly beans.

10 March - To get us limbered up in time for Spring, today Maggie Parker came along with her gentle exercises to music, and dietary advice.

17 March - This month's excursion was to Webbs of Wychbold, where there is something for everyone, be they gardeners, craft lovers or just plain browsers.

24 March - Today we held our Spring Coffee Morning, when we all endeavour to boost our Club funds. Various stalls, raffles and tombola, as well as coffee and biscuits, were attended by members, and an enjoyable and hopefully profitable morning was spent by all.

31 March - The month ended with an exceptionally cold day, weather-wise, but Janet Dickinson from Chaddesley Corbett kept us all entertained reading her own poetry, which was very much in the style of Pam Ayres. Her visit was much appreciated by all of her audience.

### Plans for May

12 May – 'The Regal and Pastures New'. Continuing the story of the Regal for 1986 until the present, there is much more to tell as the cinema comes back to life.

19 May – WI Tea at Eckington

26 May – 'From Farm Records to Criminal Records and Beyond' by Rosemary Prosser

## HAMPTON WI

After welcoming everyone to the April meeting, the President, Joyce Davey, began with the news that the Hampton team had won the Group Quiz on 31 March and the four team members - Sybil Frost, Liz Rodway, Cathy White and Jean Wright - were congratulated on their success.

Joyce then went on to give a brief resumé of the Annual Council Meeting, which had been held at the Three Counties Showground on 24th March. This had been an excellent day. Members had been asked to give any bras they no longer wore in aid of the Worcestershire Breast Cancer Unit and photographs were taken of us all waving bras of varying colours and sizes in the air. The guest speaker was Bob Flowerdew, who gave a very interesting talk on organic gardening with lots of tips for keen gardeners.

Our speaker for the evening was Louvain Beer, with a talk entitled Honey I've Poisoned Your Lunch. Louvain said at the outset that a lot of the things she was about to tell us were largely common sense and probably things we already knew. However, although cases of food poisoning following eating in restaurants were falling, the incidence in people over 60 was rising. Young children and older people were more vulnerable and therefore the points were worth repeating. In particular Louvain stressed the importance of washing hands thoroughly before handling food (singing Happy Birthday twice was a guide as to how long this

should take), and ensuring food was stored and cooked at the correct temperature. Fresh and pre-cooked food should be stored and prepared separately and she reminded us that cooked starches, such as rice, pasta and potato were very susceptible to bacteria and if being prepared in advance, perhaps for salads, they should be cooled quickly and refrigerated.

Louvain mentioned three methods of possible contamination, namely physical, in other words 'foreign bodies'; chemical, such as improperly cooked kidney beans and certain types of mushroom and biological, for example salmonella or e-coli. Food intolerances and allergies also needed to be taken very seriously and it was always advisable to err on the side of caution.

Some people were confused by the Best Before and Use By dates on food labels. In clarification, Louvain explained that the Use By date was a legal requirement on foods which could cause harm if they were eaten after the stated date, whereas Best Before referred to quality rather than safety and it was really a question of common sense as to whether the food was still good to eat.

Sheila Harris thanked Louvain on behalf of members for her interesting talk and the very useful reminders on food safety.

The competition for a food safety poster was won by Ann Davis.

The next meeting will be our Resolutions Meeting to be held on 13 May at the Hampton Scout and Guide Community Hall, when new members and visitors will be very welcome.

## Sedgeberrow C of E First School

*"A school which makes you long for childhood"*

We had a brilliant time celebrating World Book Day on Thursday 4 March. Each year we celebrate this day to emphasise the importance and value of reading. This year we chose to look at the comic book genre and our theme for the day was comic book 'super-heroes'. Children could choose either to dress up as a well known super hero or to design their own and we were amazed at the effort children and parents had gone to. So much effort and thought had gone into thinking up names and super powers! On the day Super Sedgeberrow First School was host to Spiderman, Batman, Robin, Supergirl, Cat Girl, Super James Bond, Banana Man, Water Boy, Recycle Girl, The Neon Sisters, Super Hippie, Flame Girl, Wolverine and many more.

Reception did activities based on the story, 'Charlie's Superhero Adventure', painted their superhero and played a role play game called, 'Guess the Superhero'. In Year 1, the children designed their own superhero and read stories about real-life heroes. Year 2 had great fun writing stories about the superhero they had come dressed as while in Year 3 they designed their own comic books. Children in Year 4 created advertisements for a superhero sidekick and designed their own comic strips about their superhero. Similarly, Year 5 produced comic strips and took part in drama activities based on their superhero. It was a great day all round, and thanks go to Mrs Fitzmaurice for organizing it.

## St. Andrew's C.E. First School

### Great Easter Balloon Race

The sky was awash with colour as children and staff at St Andrew's First School, in Hampton, released their balloons for this year's Great Easter Balloon Race.

The event, which took place just before the Easter break, was organised by the school's parent and teacher association and was sponsored by local company, Spacestream.com, to raise funds for new play equipment.

Jo Lewis, treasurer for the PTA, said: "We released 500 eco-friendly balloons after the school 'eco- team' ensured the balloons and tickets were fully bio-degradable in-keeping with the school's eco-friendly ethic.

"We would like to thank the children for their efforts, and the PTA brought chocolate rabbits for every child in the school.

"Prizes will be given out after Easter for the furthest travelled balloon."
