# Prayers ... for the Church

*In the day that I called you, you put new strength in my soul*

On September 21st we celebrate St Matthew, Apostle and Evangelist, give thanks for his mission and his Gospel; 29<sup>th</sup> St Michael and All Angels, join the heavenly host in praise of God, Father and Holy Spirit. In your prayers for the Worldwide Church make special mention of the Christians of the Pacific Islands and for missionaries serving there, that they may all grow in faith. Pray for the success of the Church of England's support for Credit Unions whose aim is to help people in immediate financial difficulties. Ask for God's blessing for the people of St Peter's Bengeworth and on their witness within the parish. Mention too the people of the Baptist Church in Evesham and include in these prayers the work of the Asum Group. Give thanks for the work of the PCCs in our United Benefice and for the members who care for our church buildings, inside and out.

## Prayers ... for the World

Continue to pray for peace in the world, especially for the unceasing suffering of the people of Syria. And pray for the poor people in South America that means may be found to release them from the burdens of poverty. Bring to God the hunger that oppresses so many in the continent of Africa and for the organisations that seek to help them to establish successful methods of agriculture. And in all these countries pray for the women whose lot it is to bear the heaviest burdens.

## ONE MORE STEP

This is the special month when the children return to School and move up into a new class, or indeed start at a new School. We have all been there at some point in our life, for some of us this may have been a long time ago. I can remember when starting to attend my secondary school being surprised to see that the sixth form looked like adults! However, as you grow and move on through the year groups your perspective changes. We became more aware of the world about us, and the struggle to find our place in it. Childhood moves towards adulthood. The focus on exams and the decision about the subjects we might study at GCSE & A level are linked to the career that we feel we might be aiming at. We all took 'One more Step along the Road'.

In a sense we are all moving on. The School leavers consider their next step and try to find employment or continue with further education and perhaps University. This continues at every stage until you retire. At this time of year my wife Charlie always gets the yearning to go to university, which started because when she was younger she never fulfilled her wish for a degree. Even though she has long held a degree, the yearning does not fade. Maybe the dying of summer alerts her and us to the fact that we are mortal and have a limited time to live and achieve all we hoped for.

As each academic year starts do you take 'One more step' along the road with Jesus? Do you feel closer to Him as each year progresses? Perhaps you might like some help with your journey? Would you like to learn more about Jesus and his Holy Word? Why not come along to the Vicarage at 10am every Monday morning for Bible study and prayer? Come and watch a fifteen-minute DVD with experts discussing the topic. You don't need to go to University to understand it, and we have many fascinating conversations about the things we learn. There is even a handy Study Guide to help you and give you daily readings. During our prayers we often pray for a small community in Uganda. Please come along and see how God has answered prayer!

Finally, as we turn anew to the Bible, the Book of Ecclesiastes section: A Time for Everything

3 There is a time for everything,  
and a season for every activity under the heavens:  
2 a time to be born and a time to die,  
a time to plant and a time to uproot,  
3 a time to kill and a time to heal,  
a time to tear down and a time to build,  
4 a time to weep and a time to laugh,  
a time to mourn and a time to dance,

- 5 a time to scatter stones and a time to gather them,  
a time to embrace and a time to refrain from embracing,  
6 a time to search and a time to give up,  
a time to keep and a time to throw away,  
7 a time to tear and a time to mend,  
a time to be silent and a time to speak,  
8 a time to love and a time to hate,  
a time for war and a time for peace.

## Prayers ... for the people around us

As schools and colleges begin a new academic year, pray for the children, students, teaching and support staffs, that their time may be well used and that it may bring enjoyment and fulfilment to everyone. Pray for the businesses of our parishes, that they may grow successfully for the benefit of everyone who works in them and for those of us who need them. Ask God to bless your friends wherever they may live and those organisations of our villages who bring their members together in friendship. And reserve a prayer for anyone amongst us who is lonely, that they may find companionship.

## Hampton WI

Lynn Stevens has been Parks Officer for Wychavon District Council for the past 13 years covering Evesham, Pershore and Droitwich Spa. At our July meeting she talked about her wide-ranging responsibilities, including hedge and grass cutting, litter collection, graffiti removal, inspection of play equipment, and maintenance of formal bedding. She also designs new areas, such as the riverside development and ornamental herbaceous bog garden in the old boating pool in Evesham's Abbey Park. Her slides included 'before and after' pictures showing the considerable changes since 2000. There were always challenges, like freezing winters, extensive flooding and spells of very hot sunshine but, despite these, Lynn was proud to tell us that Abbey Park has achieved Green Flag status annually since 2005.

On 1 August, a group of us enjoyed a visit to the garden at Bourton House. As it was apparently the hottest day of the year, so far, our tour of this lovely garden was completed more quickly than it might otherwise have been and enjoyed leisurely refreshments in the shade of the trees, admiring the view. In mid August we will be at Broadway Golf Club for our summer lunch and on 12 September we will meet at the hall for our Harvest Supper, so there is plenty to look forward to.

Our meetings are held at the Hampton Guide and Scout Community Hall on the second Thursday of the month at 7.30 pm. Visitors and prospective new members are always welcome. Please contact Joyce Davey on 01386 443755 for more information.

## What's the Big Idea?

### **An Introduction to the Books of the New Testament: Hebrews**

'Too much religion can be a bad thing!' This saying is very relevant when we look at the Letter to the Hebrews, where the recipients' devotion to God was getting in the way of what he has done for them. The writer addresses Jewish converts, familiar with the Old Testament (OT), who were slipping back into the rituals of Judaism in order to escape mounting persecution. The letter describes itself as a 'word of exhortation' (13:22), in which the readers are encouraged to continue in the grace of Jesus Christ and not to 'ignore such a great salvation' (2:3)

There is no indication as to who wrote Hebrews; suggestions include Apollos, Barnabas, or Aquila and Priscilla. The absence of any evidence describing the end of the OT sacrificial system with Jerusalem's destruction in AD 70 suggests that the letter was written around AD 65.

The dominant theme of Hebrews is the absolute supremacy and sufficiency of Christ as revealer and mediator of God's grace. Jesus is presented as God's final revelation of himself (1:1-4), fulfilling the prophecies and promises of the OT. Christ is superior to the prophets, angels and Moses (the mediator of the former covenant), along with the levitical priesthood and sacrificial system. Where the Old Covenant required continual sacrifices and a once-a-year atonement for sin offered by a priest, the New Covenant provides a once-for-all sacrifice through Christ (10:10) and direct access to the throne of God. God's people must now look only to him, whose atoning death, resurrection and ascension have opened the way into the true, heavenly sanctuary of God's presence.

The writer of Hebrews also gives five solemn warnings to his readers. There is the danger of neglect (2:1-4), unbelief (3:7-4:13), spiritual immaturity (5:11-6:20), failing to endure (10:26-39), and the inherent danger of refusing God (12:25-29). If we are to maintain our faith, we need to keep our focus on the person of Christ: 'Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles, and let us run with perseverance the race marked out for us. Let us fix our eyes on Jesus, the author and perfecter of our faith, who for the joy set before him endured the cross, scorning its shame, and sat down at the right hand of the throne of God' (12:2).

### **Petertide Fête – Sunday 23rd June 2013:**

After lots of preparation, over the weeks, days and hours beforehand, the church looked lovely – huge thanks to the many volunteers who contributed to the beautiful floral displays; thanks also to Charlie Binney for the last minute production of the service booklets and to Rev Mark Binney for the lovely service preceding the fête. The service was attended by Andrew Baxter, Chairman of Laslett’s (Hinton) Charity, patrons of St Peter’s Church.

In addition to many of the stalls which had also featured at last year’s fête, this year’s fête included a barbeque and bar – both seemed to be very well received. The weather could have been (slightly) kinder to us, but at least it stayed dry! We are very pleased to announce that the Fête raised only slightly less than £1,000 for the church restoration fund.

Congratulations to Peter Glenn and Holly Grinnell – the winners of the Bagatelle competition.

Many thanks to all who attended the service and fete and supported our fund raising

### **Tea and cake:**

On 13<sup>th</sup> August, tea and cake were provided at St Peter’s as a rest stop for Evesham Walking Group.

### **Rosemary Wight:**

Following Rosemary's fall and broken hip, in June, we regret that she and her family have had to take the very difficult decision to find her some accommodation where she can be sure of 24 hour help and care. She is now in a care home in Buckinghamshire, close to her daughter. The whole village will miss her.

### **Weddings galore:**

The end of July and beginning of August were Hinton's busiest wedding period for ages.

Imogen and Tyson Peltz's wedding was a very grand affair, complete with a beautiful rendering of Schubert's Ave Maria by a professional soloist; they honeymooned in Paris and have now returned home to San Jose in California.

On the same day, Alan & Tricia Davies were at St Peter's for a blessing of their recent wedding. That service's highlight was the congregation joining in with Lennon and McCartney's "All You Need is Love".

A week later, on 3<sup>rd</sup> August, Adam Atkins and Zoe Gisbourne were also married at St Peter's.

### **Service of Celebration and Thanksgiving for Couples married at St Peter's in Hinton:**

Please get in touch with Rosemary Cross on 01386 443240 if you want to hear more. Rosemary is also your contact if you want to book a place on the Ladies' "Relax Evening".

## **St Andrew's Fellowship**

At the meeting on 9 July, we were sad to hear of the resignation of our President, Ida Roberts. We would like to thank Ida for all her hard work, and send her and Alan our very best wishes.

During the rest of the meeting that followed, Jenny Perkins was voted in as President, along with a committee, some old and some new, and look forward to continuing where Ida left off.

At the next meeting on 9 September, we look forward to seeing Catherine Richard, who will talk about the Madame Curie Nursing Service, which should be very interesting.

For our Autumn Outing we are planning to visit Ragley Hall in Gloria 2, on Tuesday 8 October. This still has to be confirmed and will be in place of the usual meeting in the Community Hall.

We meet on 2nd Tuesday of every month, at 2pm in the Community Hall, and look forward to welcoming any new members.

*Successful learners. Success for life.*

Summer term was very busy with lots of exciting events as usual. We had a fantastic end of year production of 'The Pied Piper', which was very well attended and had rave reviews. Also there were all the usual events such as the summer fete and sports days.

With a smaller year 5 this year, we had just two children confirmed. Lessons were taken by Charlie Binney and were enjoyed by those taking part.

Our leavers' service at St Andrew's church was a lovely reflective event. Rev. Binney presented each child with a children's bible as a keepsake. Hopefully this will be something that they will read and which will help them along their path to Middle School.

New term starts on September 4th for children. We will be continuing with our successful 'Open the Book' assemblies, bringing the Bible alive. This term we have a full reception class and start the year with an exciting residential for year 5 at Kingswood Activity Centre in Stafford.

Sedgeberrow CE First School

As I am writing this in July, we have come to the end of the school year and are able to look back and reflect on what an excellent year it has been.

We began the year by moving the school office and Key Stage One classes into our extended accommodation in the main building and this made a huge difference since the school roll has now grown to 172, the largest number in the history of the school, leaving us only 8 spare places. We are so grateful to all the parents who make the journey to Sedgeberrow each day to bring their children to us.

The staff team at Sedgeberrow are simply amazing and the creative curriculum they provide for our pupils is inspirational. There have been so many exciting events and workshops over the year which have really enhanced the children's learning and enabled them to maintain and extend the high standards of attainment we have across the school. I am so grateful to them all for their time, their dedication and their love for the children.

In June our Key Stage Two produced a fabulous show 'I'm a Believer' which ran at Pershore No.8 for two nights and packed the theatre out. It was based around the story of 'Shrek' and every child took part. The children really gain such a lot from experiencing being part of a live production in a real theatre and we had so many wonderful comments and such positive feedback. There is a link on our website to some photographs.

During July we held a whole school Multi-Faith Week where we had visitors in and introduced children to a variety of religions along with a main focus on prayer and Christianity. We revisited our school values during the week and have created a wonderful new display to re-focus our thinking around these values in the coming year.

Year 5 have been amazing this year and we will really miss them as they move on to Middle School now but wish them all the very best for the future.

## **September in the Garden**

As summer draws to its close the garden can begin to look a little sad. No need for this, the late flowering plants such as Dahlias and Salvias will flower long into the autumn if regularly 'dead headed' the same applies to the roses. You may have planted a packet of Nasturtium seed, keep dead heading this too and add a few of the leaves and flowers to the salad bowl – delicious and spicy.

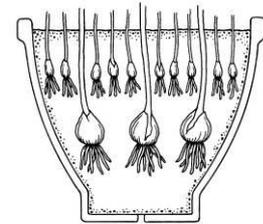

It is a good time to plan those Spring Displays of bulbs in bowls both for indoors and in the garden. Plant up the containers for outside with a bottom layer of tulips, followed by daffodils then crocus and ending a top layer of snowdrops to give you a succession of spring flowers. Now is the time to start planning for summer, if you have large clumps of perennial herbaceous plants now is the time to divide them.

Discard the old centre growth and replant from the new outer parts increasing the number of plants at the same time as improving the stock.

In the vegetable garden plant over wintering onions, which come into growth early in the spring and give a good crop from the end of May, they taste good too. If you have planted squash which can be stored keep an eye on the plants, leave the fruit on for as long as possible to gain maximum size, but harvest if a sharp frost is forecast.

If you have not done it yet – clean the greenhouse to make sure there are no pests to overwinter in cosy quarters, and then it is ready to protect your patio plants which need a little shelter in the cold months ahead.

Good Gardening.
