## **Prayers ... for the Church**

*Blessed is the one who trusts in the Lord*

On June 4<sup>th</sup> we hold the Feast of the Apostle Barnabas and on 29<sup>th</sup> of the Apostles Peter and Paul; give thanks for their lives of service and pray for the strength to follow their example. The Feast of the Birth of John the Baptist falls on June 24<sup>th</sup>; pray for all those who dedicate their lives to proclaiming the Christian Gospel. Ask God to bless the mission of our Diocese and the work of the Asum Group of Parishes. Mention especially the Readers of our Diocese with John, Elaine and our Missioner, Sarah and pray for the various groups who meet under her leadership. Give thanks for the welcome extended to us by the members of our congregations who greet us as we arrive for the services. Pray for the young people of the world, for those who have accepted Christianity on whom the churches of the future depend and for those who have not yet taken God into their lives that they may do so soon.

---

## **Prayers ... for the World**

In our prayers for peace continue to mention Syria with any countries that you particularly know of. Include the leaders who have it in their power to promote the cause of peace, especially those we recognise as oppressors. Pray for the women in any parts of the world where they are treated as second class citizens, that they may know the freedom to live their lives as they choose. Bring to God the people who work to bring education where it is a rare or unknown right; include those who have the power to withhold this right that they may act with justice. Pray for the followers of Hinduism that they may grow spiritually. Remember the people of the continent of South America, especially those who live in poverty.

## **Altar Guild**

Altar Guild are looking to recruit enthusiastic ladies to assist with the flowers in Church on a rota basis.

Please speak to Jane Wisnievski on 01386 48186 if interested.

## **July / August Herald**

Please note that the next edition of the Herald will be a dual edition for July and August. This should be borne in mind by contributors, as the magazine will need to include any prior notices, publicity etc. for events happening in **September**.

## **From Mark Binney Priest in Charge**

It's another World Cup and football fever is running high! They say that football is almost a religion these days. It certainly has its dedicated followers and vast numbers of them. There is almost a Cathedral-like atmosphere in a huge stadium at a big match. The impression becomes stronger still when the crowd sings 'Abide with me'. Football supporters strongly support their team with a passion which puts many Church congregations to shame.

On the pitch the eleven players work as a team putting into practice all the moves the coach has taught them. They have learned the rules of the game and follow them because they know the game will descend into chaos otherwise. One person has the responsibility for ensuring that the rules are followed and interpreted correctly in any given situation on the pitch. That person is the referee.

At the Last Supper Jesus prepares his team, his first eleven and the rest of the squad, for the game of their lives. Although he has trained his squad, and coached them for the fixture that lies ahead, he will not be with them on the pitch. His job is almost done but he promises to send them a referee. Someone who will help them interpret what he has been teaching them, in any situation in which they might find themselves. Jesus is returning to the Father but he will send the Spirit of truth to guide his followers.

At Pentecost the Spirit descends upon the disciples just as Jesus had promised. Referees are not always popular. Players do not always agree with their decisions. And in the world today people still resist the Spirit. For the Holy Spirit is not always a comfortable companion. He comes to jolt us out of our complacency, to challenge the world, to search our hearts, most of all to point us to Jesus.

The Holy Spirit is still moving in the Church today. We need continually to ask for the guidance of the Holy Spirit in our Worship, in church meetings and in our daily lives. Like the referee interpreting the rules of the game in specific situations, the Spirit will show us how the teaching of Jesus can be applied. A good referee allows a game to flow, only stepping in when there is conflict, and reminding players of the rules. In that way he encourages them to use to the full the skills their coach has taught them, which in turn brings credit to the coach. If we listen to the Holy Spirit we can bring credit to our teacher. We can work on his behalf and play the game he would want us to play.

Reverend Mark Binney

## Prayers ... for the people around us

Pray for people around us who seek to foster friendliness amongst us, simply our day to day meetings or in more formal ways, e.g. the WI's, the Friendship Club or other bodies you know about. And remember the very special ways that families bring us together; ask too for help for those families who do not enjoy this blessing. Pray for our local businesses, for the benefits which they bring us, and for the employment opportunities they offer. Pray too for our local hospitals, for the patients and their families and friends who are anxious for them, for the doctors, nurses and technical staff and for the administrators that they all may find satisfaction in their work.

## St Andrew's Fellowship

On Tuesday 13 May we welcomed Sam Green from 'Bee Crafty'. After a short talk about the different crafts they make and sell, Sam set us all to work, which resulted in fourteen very nice cards. All those who took part enjoyed the activity.

Betty Keane, who, with her husband Toby, is looking after a stall at the Church Fete on 21 June, has asked for good quality bric-a-brac. All proceeds are going to our charity for this year, which is MAF (Flying for Life). I'm sure Betty would welcome any offers of help.

Everyone is looking forward to the visit to Wells Cathedral on Thursday 12 June, when we will be leaving the car park in the mini bus at 9.30am. It should be a lovely day in a beautiful cathedral, where we will have a guided tour and lunch. Some of us are taking part in the Hampton Open Day, which has been organised by Ann Evans to raise funds for Clic Sargent, Children's Cancer Charity. There will be seven gardens open, plus flower demonstrations by Bob Harris, and Tea and Cakes served in the Scout and Guide Community Hall. This will be on Sunday 8 June, 11am to 5pm.

If anyone is interested in coming to join our friendly group, and would like to know more, it doesn't matter if you are male or female, churchgoer or not, please ring Jenny Perkins on 01386 49161 for more details.

# Annual Report of the Great and Little Hampton Educational Charity May 2014

The untimely passing this last year of our fellow trustee, Gordon Grove, will be deeply felt, we are sure, by the whole Evesham community. Gordon gave freely of his time to so many activities in the town. He was the highly valued vice-chairman of our Hampton charity and we will sorely miss his wise counsel in our decisions on financial and educational matters. Never sombre or grave, his unfailing optimism and cheerful manner helped to ensure that our meetings proceeded happily as well as efficiently. He will long live in our memories.

We used part of our income this year to contribute in his memory £100 towards the creation of a commemorative garden and bench at Prince Henry's, the school he'd attended for his own secondary education and to which he later gave so many years of valuable service as a member of the academic staff.

On routine matters, the value of the charity's fund continues to grow. In March last year it stood at £ 63,593; on March 31<sup>st</sup> this year it totals £65,471.

Our total income was £2,572. We spent £2,100 on 29 student applications.

Expenses, including the clerk's honorarium, came to £262. We donated £100 to the commemorative garden at Prince Henry's where pupils will be able to find a quiet spot during the school day. We also put another £500 in the investment shares to help safeguard the value of the grants for future generations of Hampton students. Finally we would like to welcome Mrs Helen Keeley of Cheltenham Road as our new trustee. She brings a wealth of experience as a parent of children who've gone through the local education system and as an ex-member of staff at both High Schools in the town. Helen, we're sure, will be a most valuable addition to our small band of trustees.

*Jim Griffiths*

## St Andrew's Church AGM

At the AGM Gabrielle Falkiner stood down as churchwarden, having completed the maximum term of six years. No one was elected to replace her at the meeting, but subsequently Margaret Thomson has stepped in to join Phillippa Henly as churchwarden.

The Electoral Roll has been updated and now stands at 82.

Daniel Lewis and Susan Wakefield were re-elected as Deanery Representatives, and Ray Edwards, Carolyn Jenkins and Jane Wisniewski were elected to the PCC for a period of three years.

There has been no further work done towards the redevelopment plans, as the need for urgent roof repairs has taken priority for the coming year. However, the PCC is still committed to the provision of toilets and kitchen facilities in the Church building. St Andrew's Church Centre (Formally St Richard's Hall) was refurbished with new toilets and kitchen and it looks great.

Looking back over 2013, it was reported that the Tots group are doing very well and Alphabet House continues to use our Church Centre. Open the Book is provided at St Andrew's School and is organised by one of the parents.

The Christmas cards were a great success despite some of them going to another 'Fairfield' in the Diocese. A bemused vicar telephoned Mark about them arriving on his desk. The mistake was duly corrected.

There were good attendances at the Crib and Midnight Mass services on Christmas Eve.

The Vicar commented on how well used St Andrew's was, with baptisms, weddings and funerals taking place throughout the year. He thanked everyone who had helped in any way with the life of St Andrew's church and our church centre during 2013.

Please see Annual Report 2013 for more details.

## **St Andrew's Fundraising Committee**

At our Table Top Sale at the end of March we raised the sum of £110. Our next fund raising event will be the Summer Fete, which will be held on the longest day 21 June at 2pm. This is a little earlier in the year than usual, but we do want the children to be involved, so we did not want to hold it during the summer holidays. This year we need lots of craft projects for our craft stall, cakes for the cake stall and some interesting prizes, so please get busy.

We are going to need lots of hands on deck on the day and also on the evening of 20th, helping to put up the marquee and gazebos on the vicarage lawn.

Please contact me on 01386 47541 if you can help on any way.

If you would like to run a stall for us, there will be a prize for the best dressed stall and if you would like to have a stall for yourself or your organisation there will be a small charge of £10.00

Look out for more news on the pew sheets

Thank you

Margaret Thomson

## **John Martin 300th Anniversary 2014**

This year it will be three hundred years since the death of John Martin, who was born in 1637, and died at the age of 77 in 1714.

John Martin had been a yeoman farmer living in Hampton, when he died leaving a wife, but no surviving children. After providing for his wife, in his will he established trusts to benefit the people of Hampton, Bengeworth and Evesham. There was an emphasis on giving young people a good education and Christian upbringing, and also helping the poor of the parishes. Thus the John Martin Charity was born.

Originally the main asset of the Charity was John Martin's land, amounting to around 80 acres. The rental income from this land through agricultural and market garden tenancies produced a modest income over the first 250 years and the Charity operated in a small but valuable way during this time. As the town of Evesham expanded, the majority of the land was developed. This produced a larger capital sum for investment and it is these investments, which continue to generate the Charity's income. With more income becoming available, the scope of the charity was widened in 1981 to benefit the town and neighbourhood of Evesham. The four main aims remain: Propagation of the Christian Gospel, Relief in Need, Promotion of Education and Health.

'Soft refreshing rain' and warm days have meant fast growth in our churchyard so accolades must go, once again, to the splendid volunteers who have helped to keep it all under control. They include Mark White, Julian Grinnell, David Cross, Liz Davies, Sheila Marshall and Nick Frost. Hinton thanks them for their hard work!! ## Hampton WI

Our meeting on 8 May was our Resolutions Meeting, when we had the opportunity to discuss the Resolution to be put before the AGM in Leeds on 7 June. Every year the Resolution to be considered concerns an important issue, which affects us all. This year's Resolution is *Increasing Organ Donation*, which was discussed and a vote taken, all members being in agreement with the Resolution. Members had brought items for a sales table and our auctioneer, Cathy White, did an excellent job of encouraging us to spend our money on items we weren't sure we actually wanted. It was then time for refreshments and conversation.

Our friendly skittles match and supper at Ecgwins Social Club had been very enjoyable and on 29 April a team of four of our members had taken part in the Group Quiz and done extremely well, being beaten to the top spot by only half a point.

At our next meeting on 12 June our speaker will be Anthony Collis on the subject of **Pub Signs of Worcestershire** and on 10 July, Francis Smith will talk to us about **Being a BBC Props Buyer**.

Our meetings are held at the Hampton Guide and Scout Community Hall on the second Thursday of the month at 7.30 pm. Visitors and new members are welcome at our meetings. Please contact Jill Robinson on 01386 40136 for information.

The Summer Term has started well although it will go very quickly with all the exciting events which are to be packed into it!

Year 4 went to Malvern Outdoors Centre on the 10th-11th April just before the Easter holidays where they had an absolutely fantastic time over the two days doing lots of exciting activities. The objectives of the trip were to develop their problem solving skills, work together as a team and to push themselves to just outside their comfort zones through activities such as archery, problem solving, climbing, low rope trail, a camp fire and the zip wire. All children successfully achieved these and they were a credit to the school.

Year 5 are due to visit Condover Hall in Shropshire for their 3 day residential in mid-May and then Year 3 go to Upton Warren outdoor centre for water activities. We have an African Drumming Day booked in just before half-term and a Sikh workshop soon after and Reception will be visiting the Cotswold Farm Park so there will be lots to share in future articles.

Our new library furniture and books have all arrived and the update is gradually taking shape which is very exciting. Everything is very bright and colourful and is going to look lovely as you walk into school.
