## Prayers ... for the Church

*Hear my prayer, O Lord, and give ear to my cry*

Ask for God's blessing on Christian people world-wide especially for the Anglican Communion that its members may be strengthened in their faith to bring the joy of the Gospel to those among whom they live. Pray for those who have doubts, that these doubts may be resolved as were those of the Apostle Thomas whose Festival we celebrate on 3<sup>rd</sup> July. Give thanks for the example of service by Mary Magdalene whose Festival falls on 22<sup>nd</sup> and for the loving service to Jesus by the Apostle James, 25<sup>th</sup>. Pray for the mission of the worshippers at Saint Andrew's, Hampton, and those of the Catholic communities in our area. Ask for guidance for our PCCs who lead us in the business of our parishes. Ask for God's blessing on the Groups organised by our Missioner, Sarah.

---

## Prayers ... for the World

Pray for peace and friendship among the nations, mentioning any areas of particular importance to you; include refugees that their sufferings may come to an end and they may return to their homelands in peace. Bring to God the members of the Islamic faith, those to whom their faith is a source of peace with others and those to whom it is a call to war. Pray for the children of the world that they may enjoy the security, which is their right and make special mention of those who are growing up in the shadow of poverty. As the new European Parliament gets into its stride, pray for guidance to its members, that they may govern with justice for all.

# John Martin's Tercentenary Celebrations

On July 2<sup>nd</sup> 2014 at 11.am, the Tercentenary of Evesham's John Martin's Charity will be commemorated at a service held in Worcester Cathedral. The service has been prepared to celebrate the life and legacy of John Martin and the Charity established three hundred years ago following his death on 28<sup>th</sup> June 1714, and which is now responsible for distributing annually over £700,000 into the town for various charitable purposes as defined by his will.

John Martin was born in 1637, when King Charles 1<sup>st</sup> was on the throne. John was a yeoman farmer who owned 92 acres of land sited at the Cheltenham Road end of Hampton. He lived under the reign of six monarchs, and also, of course, during the period of Oliver Cromwell. How much change and uncertainty he must have witnessed during his life. He had one son - another John – who sadly died at the age of seventeen.

Following John Martin's death in 1714, the Charity was formed by the terms of John Martin's Will in which he gave instructions about how his Farm and separate personal estate should be dealt with.

The Farm included a property together with "barns, stables, outhouses, orchard, garden yards and banksides, lands and closes" which was to be managed by Thomas Mason and Edward Roberts, both of Birlingham, for the benefit of his Wife. After her death, the income arising from the Farm was to be paid out on an annual basis via a number of bequests to Evesham Churches and causes "for ever".

In 1843 the Charity's income was about £40.00 per year and was managed by a number of Trustees. The Charity as we know it today, started to expand in the 1960's – almost three acres of land were sold in 1968 to build the new (Evesham) College. By 1976, the charity's income was starting to increase to £6,000 per annum. The Trustees began negotiations to introduce a new scheme, which would enable the increased funds to be distributed. The proceeds of further land sales during the 1980's and 90's generated an annual income of £500,000 which has increased over time and now generates over £700,000 per annum for support in the local community.

The Charity provides this support to residents and organisations from Evesham and the surrounding designated parishes under the four key themes John Martin's legacy – Religious support, Relief in Need, Education and Health. Religious support provides assistance for Clergy and Parochial Church Council expenses and Church Buildings, whilst Health Support assists those suffering with chronic health problems, who live in the wider beneficial area. Educational grants are provided to those taking further and higher education courses, extra-curricular activities, music lessons and also support is provided to local schools for Special Education Need requirements. Relief in Need support includes emergency grants, food vouchers, assistance with utility costs, white goods, disability aids, heating awards, school

uniforms, and support for organisations and other charities. Information about these grants is available to residents through local agencies, advertisements and on the Charity's Website. The grants available reflect the original terms of John Martin's Will but are relevant to the 21<sup>st</sup> century. The Charity today is managed by a Board of Trustees and three full-time members of staff, and is in the top 1,000 UK charities based on value (there are over 160,000 charities in England & Wales). If John Martin was alive today, perhaps he would be amazed to see the extent of his legacy from all those years ago.

The Service within Worcester Cathedral in July will give the town an opportunity to honour John Martin's memory by giving thanks for the past, present and future of his legacy. The Service will be attended by local people, together with dignitaries, school pupils and representatives from the organisations, which benefit from the Charity's support. First and Middle schoolchildren from Evesham have produced some wonderful projects containing artwork and poems based upon the theme 'Life in Evesham – Past, Present and Future' and much of this work will be on display at the Cathedral. The two Evesham High School choirs will sing at the Service, alongside other performances to showcase local talent in appreciation of John Martin. A clock flowerbed has been planted outside the Almonry museum in Evesham as part of this year's celebrations, and conservation work has been completed on John Martin's Tomb. It should be a year to remember, and will point the way forward to the next three hundred years of the Charity's existence.

## Prayers ... for the people around us

Ask for God's blessing on the NHS General Practices of our area, doctors, nurses and support staff that they may find satisfaction in the work they do for us. As schools and colleges begin the summer break, pray for the pupils and students that they may fully enjoy this time away from their studies. At this busy time for all who work on the land, pray for them in their long hours and for good weather to ease their efforts. Ask for God's blessing on the new people coming to live in our communities that they may quickly form the friendships that we all value.

### **All the Churches in the Benefice would like to congratulate John Lynch on the 40th Anniversary of his becoming a Reader**

Readers are trained and licensed lay ministers in the Church of England authorised in particular to exercise a ministry of preaching and teaching. They undergo a two-year training course before being admitted to the role, after which they carry out a wide range of tasks within their parishes and beyond, especially helping others to reflect on their faith and how it relates to their daily lives.

# St Andrew's Fellowship

Thursday 12 June

This was not our usual Tuesday meeting, as it was our summer outing, and we left the car park at 9.30am to travel to Somerset for visit to Wells Cathedral.

After leaving the motorway at Bristol, we were soon passing through beautiful countryside, where the views were fantastic. Arriving at Wells around 12.00, John (Lynch) found a dropping off spot where we all went looking for somewhere to have lunch.

We had booked a Guide for 2pm, which was definitely the right thing to do, as we learnt so much about the Cathedral and the history that went with it.

Before setting off home, we all enjoyed a nice cup of tea and chatted about all we had seen and heard.

We arrived back in Hampton around 7pm, so tired, but we had all really enjoyed the day.

The next meeting at the Guide and Scout Hall is Tuesday, 8 July at 2pm, when we are having a Strawberry Tea. We hope all members will bring a friend, also if you are thinking of joining, please come along. For more information, ring Jenny Perkins on 01386 49161.

## **Holy Days in July**

### **25th July St James the Apostle - apostle to Spain**

James and his brother John were sons of Zebedee and fishermen from Galilee - the 'sons of thunder', as the gospel writers describe their impetuous characters and fiery tempers.

James stands out on three accounts: he was one of the three disciples who witnessed the Transfiguration of Christ. Jesus took him, along with Peter and John, to 'watch' with him in the garden of Gethsemane. Finally, he went on to be the first apostle to die for the Christian faith, when in AD 44 King Herod Agrippa put him to the sword in Jerusalem at Passover time.

In the centuries following his death, James became associated with the evangelising of Spain, and as a powerful defender of Christianity against the Moors. The heyday of the cult of Santiago de Compostela was from the 12th to the 15th century, and the pilgrimage to Compostela became one of the most important of medieval Christendom. This in time transformed the iconography of James, and his emblems became the pilgrim's hat and the scallop-shell of Compostela. Over 400 English churches have been dedicated to James.

### **27th July The Seven Sleepers of Ephesus – proving a nap is good for you!**

Do you tend to avoid conflict? When you feel stressed, do you crave sleep? Then the Seven Sleepers of Ephesus would be good patron saints for you. But - you may find it hard to copy their successful method of avoiding trouble!

Legend has it that The Seven Sleepers were third century Christians who lived in Ephesus during the persecutions of the Roman Emperor Decius. When things got very bad, the Seven Sleepers decided to 'go to ground'. Literally. They found a cave on the outskirts of the city and walled themselves in. The story goes that then God simply put them to sleep.

200 years later they woke up, and peeped out of the cave again. Things had changed: Ephesus had converted to Christianity. Unfortunately the Seven Sleepers did not get much time to enjoy the new freedoms, because within a short time they all died – of extreme old age.

The story was popularised in the 6th century by Gregory of Tours and Jacob of Sarugh, who venerated the Seven Sleepers as saints. But it was challenged by Baronius and many scholars since. It is sometimes called a Christianised pagan or Jewish legend akin to Rip Van Winkle.

A possible moral for anyone today is that when you find yourself in a storm of conflict, you don't have to fight all the battles yourself. You can indeed seek refuge in God. He may not put you to sleep for 200 years, but he will be a safe hiding place for your soul.

## Fete – 21 July

The fete went well considering there were a lot of other events on the same weekend. Everyone had a wonderful afternoon, with entertainment by the local Reed and Celebration Brass Band who got the celebrations started, and Dean Bayliss serenaded us with his swing style singing. This year we decided to open the church and it was decorated with exhibits from the flower arrangement competition. Terry Jenkins brought a selection of old artefacts including a sweep's bike from the 1930s, which added a vintage touch to the fete.

Thank you to everyone who worked SO hard to make this afternoon a success. We raised about £600. Watch this space for future fundraising events.

# WARNING!

## A HINTON PARISHIONER THOUGHT THIS POEM BY JENNY JOSEPH MIGHT AMUSE READERS

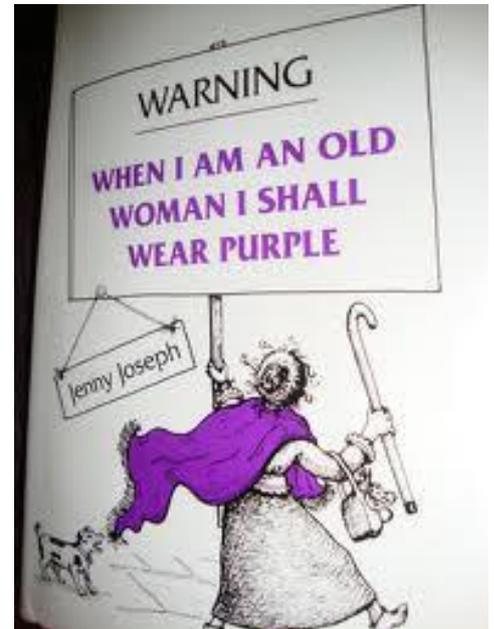

When I am an old woman I shall wear purple  
With a red hat that doesn't go, and doesn't suit  
me,  
And I shall spend my pension  
on brandy and summer gloves  
And satin sandals,  
and say we've no money for butter.  
I shall sit down on the pavement when I am tired,  
And gobble up samples in shops and press alarm  
bells,  
And run my stick along the public railings,  
And make up for the sobriety of my youth.  
I shall go out in my slippers in the rain  
And pick the flowers in other people's gardens,  
And learn to spit.

You can wear terrible shirts and grow more fat,  
And eat three pounds of sausages at a go,  
Or only bread and pickle for a week,  
And hoard pens and pencils and beer mats  
and things in boxes.

But now we must have clothes that keep us dry,  
And pay our rent and not swear in the street,  
And set a good example for the children.  
We will have friends to dinner and read the papers.

But maybe I ought to practice a little now?  
So people who know me  
are not too shocked and surprised,  
When suddenly I am old  
and start to wear purple

## Hampton WI – June 2014

We enjoyed a talk about Pub Signs of Worcestershire at this month's meeting. Anthony Collis used slides to illustrate his talk and explain their symbolism. He pointed out that the signs are part of our heritage and the Inn Sign Society works to create a photographic record of signs and to research their origin. Inn signs first appeared following the Roman invasion, when the recognised symbol of a tavern was a wreath of evergreen leaves hung outside. *The Chequers* sign, with the chessboard pattern indicated that financial business could be carried out inside, while *The Cross Keys* referred to St Peter. Various monarchs are also portrayed. *The Black Boy* was Charles II and Queen Elizabeth I was a popular choice, for example in Elmley Castle, which Elizabeth actually visited in 1575. Some signs represent professions or businesses and Anthony mentioned *The Glovers Needle* in Worcester, *The Morgan* in Malvern and *The Woodcolliers* in Bewdley, where charcoal was made. Animals also get a mention and we rather liked the *Why Not* in Astwood Bank, named after the 1894 Grand National winner. It is a fascinating subject and perhaps a future outing could include a pub crawl, just to check out the signs of course.

Ann Evans thanked members who had helped by making cakes and serving teas for the recent Hampton Open Gardens event, which she had organised in aid of the Clic Sargent Charity for children with cancer.

Members were asked if they wished to enter their names in the ballot for one of the two WFWI bursaries for Denman College. Sue Chapman, Liz Rodway, Joyce Davey and Jill Robinson expressed interest and names were put 'in the hat'. Jill Robinson's name was drawn and will be entered in the main ballot.

Now we are looking forward to our visit to the Guide Dog Breeding Centre at Leamington on 9 July and no doubt we will all want to bring a puppy home. On 12 August we will have our tea afternoon and a talk from a representative of Caring Hands in Evesham.

On 10 July, Francis Smith will talk to us about **Being a BBC Props Buyer**.

Our meetings are held at the Hampton Guide and Scout Community Hall on the second Thursday of the month at 7.30 pm. Visitors and new members are welcome at our meetings. Please contact Jill Robinson on 01386 40136 for information.

# SEDGEBERROW CE FIRST SCHOOL

*"Reach for the Stars"*

Our multi-cultural African Drumming Day just before half-term was a great success. All the children took part in workshops throughout the day and then put on a performance for parents. They used rhythms from all over the continent including South Africa where we have a link with a school. This was a non-uniform day and the money collected went to the charity GAGA (Goodwill and Growth for Africa) who helped us to set up the school link. Charlie from the charity came to talk to the children in assembly the day before about the work the charity do. You can find out more on our International Links page on the school website.

Year 4 recently had a great day at Sandfield Farm creating their own WW2 bomb shelters in the woods, learning about how Sandfield farm got bombed by a stray bomb heading from the train line and then going pond dipping with their parents to find lots of different wildlife. They found some nymph shells where the baby dragonfly nymphs had shed their skins to become beautiful colourful dragonflies! It was very exciting!

We held a lovely Street Party for the children in June to celebrate our outstanding Ofsted Achievement back in January. The whole school spent the morning making bunting and decorations and then took part in a celebratory lunch out in the playground. We had been waiting for the warmer weather so we could be outside and the celebration turned out to be a triple one since we had two more inspections the previous week –our Church School Inspection and Eco-schools reassessment. Both went extremely well with the school being deemed outstanding once more. We are extremely proud of all our children, staff, parents and governors who help to make Sedgeberrow such a special place.

*Successful learners. Success for life.*

At the beginning of May Year 5 girls attended a Football and Netball Tournament at Bengeworth First School. They took part in mini-games with other first schools and showed great enthusiasm. They came second overall and all had a thoroughly enjoyable time.

Year 1 visited Tesco in Evesham on Wednesday 14<sup>th</sup> May and spent the morning in the produce department. They learned all about where fruit and vegetables come from and how they grow. They planted sunflower seeds and tasted some of the new season's fruit.

Also in May both Reception and Year 4 visited the Cotswold Wildlife Park in Burford. They saw a wide variety of animals and all had a fun and educational day. 20<sup>th</sup> May, parents of children in Year 2 were invited into school to take part in their Inspire Workshop. They made two bulbs light in an electrical circuit which then became the glowing eyes of characters such as robots, dogs, cats and princesses. Year 1 also had a visit to Warren Farm in Brockhampton on 21<sup>st</sup> May. They explored the farm, had a trip on a tractor and learnt lots about growing from Farmer James and his wife.

On Wednesday 21<sup>st</sup> May Year 5's pet day took place. Parents came along with family pets in order for the children to show and discuss the care of their particular pet. We saw dogs, kittens, gerbils and even a millipede. Everyone had a very informative morning and all pets behaved impeccably.

In the first week of June Year 5 went to Ryton Gardens in Coventry. Despite it raining for most of the day they were amazed to see that the wet weather did not stop the wildlife and were lucky enough to see many varieties of bees.

On the 10<sup>th</sup> June it was Year 4's turn to hold an Inspire Workshop and parents were invited in to take part in the activities. They went into the forest area for a sound walk, made cup telephones and played the light and sound game. Everyone enjoyed themselves with one parent commenting "I enjoyed all of it and it's difficult to pick out my favourite activity"

So far the Summer Term has been very busy and we have many other exciting things to look forward to including trips to the Cotswold Wildlife Park, Black Country Museum and Year 5's Play before we wave goodbye to our Year 5's and begin the Summer holiday.
