Prayers ... for the Church

Blessed is the one who trusts in the Lord

Ask that Christian people throughout the world may be strengthened by the presence of the Holy Spirit in all that they do in living their lives according to the Scriptures. Join with them in their mission when we celebrate the Red Letter Days of St Luke the Evangelist (18th) and Saints Simon and Saint Jude (28th) and ask for strength to live our lives worthily of their example. Continue our prayers for Christians who suffer oppression for their faith, those whose lives are threatened, those who are driven from their homes and the families who are divided seemingly without hope. Closer to home pray for the work of our diocese, of the Sedgeberrow parish of the Blessed Virgin Mary, the people of our local Baptist Churches and for the house groups of our United Benefice with Bengeworth.

Prayers ... for the World

Many areas of the world suffer from drought, the countries of Northern and Sub-Saharan Africa particularly. Pray that they may find relief from these troubles and that aid may reach them from more fortunate countries. Continue to pray for those areas which are torn by the horrors of warfare, making special mention of children who cannot help themselves and their parents who are powerless to help them and for the aid agencies who strive to bring them relief. Offer prayers for the people of Australasia, for those who prosper and those who find life a struggle. Mention everyone engaged in bringing education to areas where it is restricted, so that the people they serve may find their lives enlarged.

From Mark Binney Priest in Charge

The time of harvest reminds us of the glory of God's creation, and his promise to us that we should have life in abundance. At the moment there are apples, blackberries, pears and nuts waiting to be picked, to name but few. How lucky we are in Evesham to have so much of all that is lovely around us! We are doubly lucky too, for the green grocers and farm shops are full of sweet, tasty fruit, vegetables and crunchy salads if we can't or don't grow ourselves.

Each is a miracle of perfection, given by God:

Then God said, "I give you every seed-bearing plant on the face of the whole earth and every tree that has fruit with seed in it. They will be yours for food Gen 1 29

Now the LORD God had planted a garden in the east, in Eden; and there he put the man he had formed The LORD God made all kinds of trees grow out of the ground-- trees that were pleasing to the eye and good for food Gen 2 9-10

The LORD God took the man and put him in the Garden of Eden to work it and take care of it. Gen 2 15

So at each meal please think about the way it was created, or cooked, and give thanks for all that God has done for us.

However, you may be surprised to know that in Evesham there is a lot of hardship, people who can't afford to buy food for themselves, and so they feed their children. Or indeed, homeless people who tell me that they haven't eaten for two days. Yes. In this day, this is outrageous! How can we let this happen? – These are people who through no fault of their own, have found themselves unable to cope because of the low amount of benefits paid or low earnings.

And this is where Jesus' command to us to feed the poor comes in. Many of you may have been donating food for the Vale of Evesham Christian Centre, and I personally thank you for your generosity. There is one special lady in the parish who regularly helps at the centre by being up to her arms in washing up – just to help.

My challenge to you this month is two fold: firstly, thank God for every meal, and secondly, carry out Christ's commandment to feed the poor – by continuing to donate food, or perhaps offer up some practical help? To find out more go along to the Christian Centre and speak to Diane. You might like to look at a publication from the Methodist Church: www.jointpublicissues.org.uk/faithinfoodbanks

Reverend Mark Binney

Prayers ... for the people around us

Give thanks for everyone working for the Emergency Services, Fire and Rescue, Paramedics, Air Ambulance crews and support staff; ask God to bless your neighbours in their various needs as they are known to you in your immediate community. Remember the people within our parishes who are finding it difficult to manage financially and those who are without regular, secure employment. Pray too for the members of the Caring Hands organisation who offer hope where hope is needed and for their supporters who help to provide the means of continuing the work.

St Andrew's Fellowship

Tuesday 9 September 2014

After our summer break in August, we met again for our September meeting, which seemed a long time since the Strawberry Tea in July.

I thought the meeting was going to be a difficult one, because as Chairwoman I had to confess on behalf of the committee, that we had undercharged everyone for the minibus when we visited Wells Cathedral in June. I had to ask all members if they would be prepared to put in a small amount to help us out, and we would hold a coffee morning to try and raise the balance.

What I hadn't bargained for was everyone's generosity, as not only did they give the amount we asked for, but also a lot more, so that we cleared the amount owing.

Isn't human nature wonderful? I felt quite emotional to find that all our members supported in rectifying our mistake, and we thank them all very much.

Our speaker for the day was Sarah Hewitt, the Missioner for the Asum Group, who talked to us about her first year in the post. Her work involves visiting schools in the Evesham area, plus groups like ours, to tell them about the different aspects of her work. After a few questions from members, we had a tea and cake, followed by the raffle, which Sarah won!

As mentioned earlier, we are holding a Coffee Morning at my house (17 Meadows End) on Tuesday, 14 October, 10.30 to 12.30. Everyone will be welcome.

On Thursday 16 October, we are hoping to visit an arboretum for our Autumn outing. We are still deciding which one will be better for everyone.

We welcomed two new members who joined on the day. If anyone else is interested in joining us, please ring Jenny Perkins on 01386 49161 for more details.

This meeting has shown what **FELLOWSHIP** really means!

We welcome both men and women, so why not give it a try. We meet at 2pm on every second Tuesday of the month.

Prayers ...for those who have died

Patricia Hooke, David Daubney, George Emms, David Grant, Trudi Hatcher, Edward Healey, Ernest Powell, John Nettell and Marjorie Sloane with their families and friends who mourn them.

For with you is the well of life and in your light we see light.

A Message from John Lynch

'Many thanks to all those of the congregations who signed &/or sent me cards and wished me well for the celebration of my 40th anniversary as a Reader. On the subject of anniversaries, I also noted that we started attending St Andrew's Hampton, in May 1986, which means that I have been a Reader at Hampton for 28 years! I am looking forward very much indeed to drinking your collective health when a suitable celebratory occasion occurs to crack open the bottle of champagne, and to wearing my new surplice for a service.

My heartfelt thanks to everyone in the congregations'.

Yours John

Parklands

The residents of Parklands recently held a fund-raising event in the Scout and Guide Hall, to raise funds for the Macmillan Unit. The event was so successful that a sum of £683.00 was donated to the unit in memory of Hilda Lawson, a former resident of Parklands.

Harry and Hilda Lawson lived on Parklands until illness claimed the life of Hilda, and Harry moved to the Warwick area to be near their family. They had both been heavily involved in the social activities of Parklands, and also of the Friendship Club, which meets in Hampton Club. They are both much missed.

Holy Days in October

18 October - Thank you, Dr Luke! *By David Winter*

'Matthew, Mark, Luke and John, bless the bed that I lie on' - my grandma taught me that one. At least it meant I never forgot the names of the writers of the four Gospels. This month Luke, the writer of the third of them, has his feast day – 18th October.

He was, we learn from the letters of St Paul, a 'physician' - an educated man and probably the only one of the writers of the New Testament who was not a Jew. In modern terms he was Turkish. Paul took him as one of his missionary team on a long journey around the Middle East, and they clearly became close friends. Under house arrest later in his life Paul could write, 'only Luke is with me'.

However, it is his Gospel which has established him as a major figure in the history of the Christian Church. Mark's Gospel may have more drama, Matthew's more prophetic background and John's a more profound sense of the mystery of the divine, but Luke offers us a Jesus who is utterly and believably real. This man turned no one away, reserved his harshest words for hypocrites and religious grandees, cared for the marginalised, the poor, the persecuted, the handicapped and the sinful. His Gospel is full of people we can recognise - indeed, in whom we can often recognise ourselves.

He was also a masterly story-teller. Try, for instance, the story of the Prodigal Son (Luke 15:11-32). Read it (this time) not as a sacred text but as a brilliant piece of story-telling: subtle repetitions ('your son, this brother of yours'), believable characters, drama and profound emotion. There is the older brother, so cynical about his sibling's alleged reformation, the 'prodigal' himself, so hesitant about throwing himself on his father's mercy after the folly of his earlier behaviour, and there is the father, of course, abandoning the dignity of his role in the family and actually running to welcome his wretched son's return.

There are more women in Luke's Gospel than in any of the others, but also more poor people, more lepers, more 'sinners' and tax-collectors, more 'outsiders' who are shown to be 'inside' the love of Christ. This, for many of us, is the great Gospel of inclusion and compassion. Here is a Jesus for the whole world and for every one of us. Thank you, Dr Luke!

Hampton WI – September 2014

Celebrations are taking place to mark the centenary of the WI in 2015 and this month the Centenary Baton is making its way through Worcestershire. On the 11th, several of our members joined with other groups to welcome the baton's arrival in Pershore and had a very enjoyable afternoon with tea, cakes and competitions. Joyce Davey entered a lemon drizzle cake, Jill Robinson made a banner displaying the name of Hampton WI and in the flower arranging, Ann Evans won first prize in the small arrangement section with a very pretty posy in a tea cup.

That evening it was also our Harvest Supper, which we all enjoyed as usual. An envelope was passed round to collect 'Coins for Friendship' and final arrangements were made for the visit to Harvington Hall. On 9 October we will hold our AGM and on 13 November Cameron Addicott will give what promises to be a very intriguing talk on 20 Years Undercover with Customs and Organised Crime.

Our meetings are held at the Hampton Guide and Scout Community Hall on the second Thursday of the month at 7.30 pm and visitors and new members are always welcome. Please contact Jill Robinson on 01386 40136 for information.

SEDGEBERROW CE FIRST SCHOOL

"Reach for the Stars"

After a busy and eventful school year in 2013/2104 we were all glad to reach the Summer Holidays. Although we are very proud to have gained an outstanding judgement for our Ofsted Inspection, Church School Inspection and Eco-schools assessment it has been hard work and everyone deserved a break!

We have all come back to school refreshed and rested however and are looking forward to the new school year. Term began very calmly on 2 September 2 with 26 new children welcomed into Reception. Staff have been busy planning exciting new topics linking to the new National Curriculum 2014 which include Percy the Park Keeper, Where the Wild Things Are, Beside the Sea, Romans, Rainforests and Game On. We will report on some of the activities covered as the term proceeds such as the Rainforest Workshop planned in for Year 4 and a visit to the Cotswold Wildlife Park for Year 1 both linking to their topic work.

This half-term we are taking Hope as our Christian Value focusing on a good year ahead for all.

Years 2 and 5 are swimming this term, and farm days begin soon,as does instrumental tuition for Years 4 and 5. On 26 September we will be celebrating the European Day of Languages by dressing in costume and experiencing the culture of different countries. We will be looking forward to our Harvest Celebration on 9 October and Year 5 will be having Bikeability training later that month.

Parents' evenings are due to take place during the week before half-term, along with our first inter-house competition. New house captains were elected at the start of term along with School Councillors for this year so there are a number of proud children around at the moment. It is nice to see how many are confident enough to stand for election and present their speeches. Our Talent Show, due to take place in November, is another opportunity for children to shine.

During the Summer holidays the school boiler was replaced along with the noisy old heaters in the school/village hall. Although this meant some disruption in bookings over the period we hope that the end result is going to be more efficient (and quieter!) for all concerned.

We welcome visits from anyone with a child due to start school next September and also have some spaces in Years 1 and 5. Do get in touch to make an appointment if you would like to look around our lovely happy school.

St Andrew's CE First School

Successful learners. Success for life.

We have had a delightful start to the Autumn term, welcoming thirty new children into our Reception class and three children into other year groups. We also welcomed Mrs Bayliss, a Teaching Assistant supporting children in our Reception Class.

All year groups are now fully immersed in their new topics for the term. Year 1's topic is 'Bonkers about Conkers', looking at Autumn and Harvest. 'Fire Fire' is Year 2's topic which teaches children all about The Great Fire of London in 1666. Year 3 are studying the Stone Age and last month's trip to Bishops Wood really brought to life what it would be like to be a caveperson!

To enhance their topic work on 'The Ruthless Romans', Year 4 visited Chedworth Roman Villa and had a wonderful day dressing up as Roman slaves and making medicine bags for their masters as you will see from the photograph.

'Raiders' is the title of Year 5's topic, which looks at Anglo Saxon England.

All our After School Clubs have now

commenced and children are enjoying, Tag Rugby, Energy Club, Forest Club, Drumming Lessons and Boys' and Girls' Football Clubs.

Last month, Year 5 thoroughly enjoyed their three night residential trip to Kingswood Activity Centre in Stafford. They participated in many teambuilding and adventure activities.

We celebrated Harvest during the week of 29 September and following the Harvest Church Service, we donated food and produce to the 'Caring Hands' food bank at the Christian Centre in Evesham which serves vulnerable families in Evesham and surrounding areas.

The online application process for school admissions for September 2015 is now open. On 11 and 12 November, we will be holding open mornings from 9.30am – 11am, when parents and carers with children who are due to start school next year are welcome to come and look around the school.

Our Open the Book Bible assembly still takes place every Tuesday morning, and is run by Mrs Mathers, a Teaching Assistant and led by Lay Minister Elaine Major every other Tuesday. Any church volunteers would be extremely welcome to assist, thereby strengthening the ethos of the Open the Book assemblies that Church and school work in unison to spread God's word. Also, if anyone has an hour or more to spare every week and would like to listen to children read, please contact the school office on 01386 41351.

The Wychavon Festival of Brass

The Entertainment Contest takes place on
Saturday 1st November 2014.
Evesham High School

The Wychavon Festival of Brass was the result of an initiative developed by the Vale of Evesham Commerce and Tourism Association which, in the late 80's, was seeking to raise the profile of the town. An exciting brass band contest was seen as an interesting and novel way of attracting visitors and offering the local population the opportunity to hear and experience some fabulous brass music!

Because of the support of VECTA, Wychavon District Council and a variety of other local organisations, WFB has continued to grow and develop, adapting itself to differing conditions and needs as economic climates change, and bands and venues come and go!

Many bandsman will remember the early contests, the first of which was held in the Market Square and the nearby All Saints Church in Evesham. It was a beautiful and memorable day and the bands were bathed in sunshine. However, before long, the event became nomadic and rotated between the Wychavon towns of Evesham, Pershore and Droitwich before settling permanently (as far as we know!) back in its home town in 2013.

Over twenty years have elapsed since that first contest and the festival is still alive and kicking! It regularly undertakes new projects like the development of a Youth Festival, and seeks to sustain itself and interest in the brass band movement generally through collaborative efforts with its other partners in staging concerts and other events from time to time.

In the month of October

300 years ago:- on 20 Oct 1714 that the coronation of King George 1 of Great Britain and Ireland took place.

175 years ago:- on 19th Oct 1839 that Bradshaw's Railway Guide, the world's first compilation of railway timetables, was published in Manchester.

The Weekly Shop

Trolleys groaning
Children moaning
As we push through crowded aisles
Loud pronouncements
'Staff announcements'
Give us little cause for smiles

'Three for two' here
'Two for three' there
Offers easy to be found!
Bargains seeking
But critiquing
Makes your head go round and round!

Undefeated
Shop completed
We must find a place to pay
Now your smile's gone
Queues are miles long
We'll be waiting here all day!

Try self-service?
But we're nervous
Of that most unpleasant choice.
It's no quicker
It's no slicker
And that disembodied voice!

With a deep groan
We return home
It has been a busy day!
No time for drinks
As our heart sinks -
We must put it all away!
