## Prayers ... for the Church

*Great are the wonders you have done, O Lord my God*

On February 2<sup>nd</sup> the Church celebrates the Presentation of Christ in the Temple, better known as Candlemas. As we reread the story of Mary and Joseph dedicating the baby Jesus, pray for Christians everywhere, that they may find encouragement in dedicating themselves to the service of our Creator God. Make mention of our own diocese, of the various Christian churches of our area. Ask for God's blessing on the members of our house groups and on the Communion Assistants of our United Benefice. Bring to God the mission of the various Christian churches of Eastern Europe, especially those areas which are faced by the constraints of struggling under weak systems of manufacture and business. Pray for the work of all the Treasurers who look after church finances at Parish level.

---

## Prayers ... for the World

Armed conflicts continue to threaten the peace of so many countries; pray for any for whom you feel a particular sympathy. Bring to God the needs of all parts of the world where education is restricted, whether through governments' poverty or as a result of deliberate opposition, especially where girls are denied opportunities. Pray for the would-be students and the teachers who themselves must struggle to carry out their work. Ask for God's blessing on the people of the United States. Pray for the poor people of the world and for those who have the means to bring them relief that they may use that opportunity wisely and widely. Choose one particular country for yourself to mention particularly.

## **From Mark Binney**

### **Valentine's Day**

St Valentine's day on 14 February is one of the most widely observed Saints days because of the tradition that this is the day when the birds begin to choose a mate. Very little is known about the Saint other than he was a priest in Rome who was martyred about AD 496 and was buried on the Flaminian Way outside Rome.

There are a number of legends about the Saint. One is that before he was to be executed he wrote the first "Valentine card" himself addressed to the daughter of his jailer, signed as "your Valentine". The expression "From your Valentine" was later adopted in modern Valentine letters. Another legend is that Valentine cut hearts from a parchment reminding married Roman Soldiers of their marriage vows and God's love. This is a possible origin of the widespread use of hearts on St. Valentine's day.

Whatever the merit of the legends, for over a century people have been sending each other Valentine's cards and celebrating courtship and love on this day. The shops and restaurants are full of ideas about how to express your love for another person. It is nice to be told that someone loves you. If you don't express your love on Valentine's day then your beloved will be very disappointed!

Jesus gave his life to prove how much he loves us. Nobody has greater love than this, to lay down their life for the ones they love. So Jesus was lifted up on the cross, because nothing less would do. The cross is a symbol of God's love for each one of us. It's like the kiss that's written on the Valentine card, which says 'I love you'. God woos us all with his love, and a few, all too few, respond by loving God in return.

Valentine's day is an opportunity to express our love to our beloved and to God. A priest once gave this advice on how to keep a relationship fresh. Always say to one another "I'm sorry"; and always say to each other "I forgive you"; and always, please, always keep telling one another "I love you".

Reverend Mark Binney  
Priest in Charge

## **St Andrew's Tots**

Many thanks to Jenny Tustin, who organised our wonderful Christmas party, and raised £55 for our funds. We all had a lot of fun with games such as 'Put the Red Nose on Rudolph' and 'Pass the Parcel'. We all enjoyed the food provided by the parents, grandparents and carers, and loved the surprise visit from Santa, who gave every child a gift.

Welcome back to all our children and adults this term. New members are always given a warm welcome and we look forward to meeting you.

New helpers are always needed especially to get out the equipment. We usually get to the hall at about 8:15am. Please contact Margaret Thomson 01386 47541 if you would like to help.

We have some fun activities planned for this term including Valentines Day Biscuits, and making cards for our mums for Mothering Sunday.

Look out for our artistic attempts in church soon.

Margaret, Pippa, Ray and Heidi (The Tots Team)

## **Prayers ... for the people around us**

At this time of the year when the weather is, more often than not, harsh, pray for everyone who works on the land to bring us the food and nourishment that we need. Ask that they may be fairly rewarded for their efforts. Our national government is always in the news; pray for everyone engaged in the local government of our area, councillors, officials, and those who bring the services directly to us. Pray for families, especially those with babies and very young children; include groups who come together to serve those families, including St Andrew's Tots at Hampton. Pray too for the Air Ambulance Service, the front-line members, those who keep the service ready and those who raise the funds to keep the helicopters in the sky.

## **A message from Shirley Lynch**

Dear Friends

Thank you all so very much for the loving support, prayers, cards and kindnesses that you have given me, and John, over the past weeks since I discovered I needed major surgery, it has been overwhelming. The Lord was certainly looking after me as the cancer had not 'escaped' and I do not need further treatment. It is wonderful to feel part of such a community and really what being a Christian is all about. Jesus told us to "Love one another as I have loved you" and we have really felt that. Thank you all.

*Shirley and John*

## Saluting Fair Trade

This month (Feb) we can celebrate two decades of the Fairtrade movement, founded back in 1995. Recent research showed that 78 per cent of the UK public now recognise the Fairtrade Mark, which stands for the world's largest and most recognised fair-trade system. Its aim is to secure a better deal for farmers and workers.

Based in Bonn, Germany, it sets international standards, organises support for producers around the world and promotes trade justice internationally.

The work of building a market for fair-trade products is carried out by national Fairtrade organisations across the world. There are such organisations not only in Europe but also in India, South Korea, Hong Kong and Kenya.

An independent company runs the Fairtrade certification system, ensuring that the relevant social and environmental standards are met for new raw materials and products. Here in the UK, the Fairtrade Foundation is an independent organisation that provides independent certification that licenses use of the Fairtrade Mark on products in the UK.

The Foundation was established in 1992 by CAFOD, Christian Aid, Oxfam, Traidcraft and the National Federation of Women's Institutes (to name just a few).

## February 2 - The Presentation of Christ in the Temple/ Candlemas

In bygone centuries, Christians said their last farewells to the Christmas season on Candlemas, 2 February. This is exactly 40 days after Christmas Day itself.

In New Testament times 40 days old was an important age for a baby boy: it was when they made their first 'public appearance'. Mary, like all good Jewish mothers, went to the Temple with Jesus, her first male child - to 'present him to the Lord'. At the same time, she, as a new mother, was 'purified'. Thus we have the Festival of the Presentation of Christ in the Temple.

So where does the Candlemas bit come in? Jesus is described in the New Testament as the Light of the World, and early Christians developed the tradition of lighting many candles in celebration of this day. The Church also fell into the custom of blessing the year's supply of candles for the church on this day - hence the name, Candlemas.

The story of how Candlemas began can be found in Luke 2:22-40. Simeon's great declaration of faith and recognition of who Jesus was is of course found in the Nunc Dimittis, which is embedded in the Office of Evening Prayer in the West. But in medieval times, the Nunc Dimittis was mostly used just on this day, during the distribution of candles before the Eucharist. Only gradually did it win a place in the daily prayer life of the Church.

## **St Andrew's Fellowship – 13 January**

Today was our AGM, and as the weather wasn't very good, it was doubtful that it would be a large turnout, but surprisingly there were only two apologies.

All the committee were willing to stay on and were duly voted in for another year, which made everything straightforward. After the Treasurer's Report, and members paying their subs ( which remained at last year's level of £15.00), the business was closed.

As there was no speaker, we had a bit of fun with a game of Bingo, after which tea came round before finishing with the raffle.

On 20 January, we have all been invited to the Vicarage for tea, and on 29 January, we are going to The Hobnails for our Christmas meal.

The next meeting at Hampton Guide and Scout Community Hall, will be on Tuesday 10 February at 2pm, when Carol Icke will demonstrate 'Lace Making'. This very intricate work should be fascinating to watch. So if you fancy coming along, or would like to know more about 'The Fellowship', please ring 01386 49161.

Remember, both men and women are welcome, and you don't have to be a churchgoer to join.

## Sedgeberrow News

It was good to see so many at our Functions and services over the Christmas period. The Church was again beautifully decorated for Christmas. Added to this the Christmas trees again looked magical with twinkling lights and all decorated differently. The trees had been decorated by various organisations and individual people from the Village.

All those who came to the Wassail enjoyed a good singsong and listened to poetry and readings. Father Christmas was an unexpected visitor for the children (well done Brian).

The Carol service with lessons and carols was again well supported.

The Crib service was attended by about 80 adults and children, with the children taking up the nativity figures to be placed in the crib.

The December Coffee morning was very well supported. The next one in Church will be Thursday 26 March. Why not pop along for coffee /tea and a chat, and have a go on the Tombola and Raffle.

Roger and Judith Horton are very kindly having a Coffee morning at their house in Main Street on Thursday 19 February at 10am

Due to poor attendance we have decided not to have another Bingo evening until September. Thank you to all who have supported us and given prizes through the last year.

## Hinton on the Green – St Peter’s Church

**Plough Sunday:** Hinton made the local news recently as “A Vale Village bringing back an old tradition by celebrating Plough Sunday”. This year the event was on Sunday Jan 11th. It celebrated the start of the agricultural year and in days gone by the service, taking place after Epiphany, was a standard part of most rural churches’ calendars.

A former villager, Sharon Larkin, remembered the event fondly. She said: "The old plough was escorted in from Manor Farm, and propped up against the font. At the designated time during morning service, the rector would lead the choir to the back of the church, and the congregation would turn round to face the plough. A member of the choir would commence the ceremony by the words 'Reverend Sir' thereby requesting the rector to bless the plough for the coming year and all the work on the farms, by local farmworkers. The prayers were concluded by the words 'God Speed the Plough'.

The re-introduction of this event is part of the PCC's intention to create a focal point in St Peter's, the only remaining community building in Hinton.

Since reforming in 2011 they have held worship-related events, as well as those focusing on the community, progressive events, and are trying to re-establish old traditions no longer widely practiced such as Plough Sunday and Petertide.

They have also been busy fundraising towards the £140,000 (at least...) needed to repair and conserve the church, which is on the Heritage At-Risk Register. After three fetes and two harvest suppers, together with various smaller affairs such as regular coffee mornings, and carol-singing they have raised about £8,000 for their renovation fund.

The PCC is hoping that people in the village will continue to support them. Liz Davies would like to say a huge thank you to our Service Committee aka Rosemary Cross and Lisa James, who do sterling work which is much appreciated by not only by us but the wider community. Thank you, you did us proud with the Plough Sunday Service, as did Reverend Binney, who also entered into the spirit of the thing. “It was a rip roaring success”!

**February & March 2015 - Afternoon Teas:** We are well into the winter season and the church is a tad chilly just now..., so the afternoon teas in January, February and March will be held in homes around the village.

**Tuesday 24th February** - 3pm to 5pm, will be hosted by Nicola Joscelyne at 1 Bredon View.

**Tuesday 31st March** - 3pm to 5pm, will be hosted by Sheila Frost at School House. It's a good way of relaxing and meeting fellow villagers and friends of St Peter's. We look forward to welcoming you all there!

## Hampton WI – January 2015

Here we are at the beginning of another year. The days are getting longer, the snowdrops are appearing and there's a lot to look forward to. There were fewer of us than usual at last week's meeting, partly due to the winter 'bugs' and one lucky member being in warmer climes. Nevertheless we enjoyed our evening and in particular the talk from Peter Wisbey about the work of the Talking Newspaper in Evesham. which aims to help anyone who is blind or partially sighted, or who has difficulty reading due to an incapacity. With a team of volunteers comprising Readers, Editors, Copiers and Technicians, news items from the local press and topical stories are recorded onto a memory stick. These are copied, then sent out by Royal Mail, and can then be played back on a portable media player, which is provided to the listener on loan, free of charge. Peter encouraged any members who might be interested in helping the Talking Newspaper to provide this valuable service to get in touch with the office in Queens Road.

Following Peter's talk, an extra treat was having homemade cake instead of biscuits with our cup of tea, kindly provided by Liz Rodway.

Several options were being considered for this year's outings, including the Guide Dog Training Centre in Leamington and Adam's Farm. Ann encouraged members to suggest other places they might like to visit and also reminded us about next month's competition - an interesting or unusual item beginning with 'F'.

On 12 February Sue Ablett will tell us about the **Waterways of Russia** and in March, John Darby will explain the work of the **Evesham Street Pastors**.

Our meetings are held at the Hampton Guide and Scout Community Hall on the second Thursday of the month at 7.30 pm. Do come and join us.

# SEDGEBERROW CE FIRST SCHOOL

## *“Reach for the Stars”*

The Spring Term started off in a very exciting way with three days of circus skills workshops for the whole school. We run this event every few years as an alternative to the whole school theatre visit, and it is always a wonderful experience for the children, teaching balance and co-ordination skills and enabling them to discover talents they never knew they had! On the last afternoon parents were invited in

to watch a ‘Big Top’ performance to showcase the new schools and great fun was had by all. We are very grateful to our parents association F.O.S.S. for funding this worthwhile activity.

This term we are once again participating in some tag rugby/curriculum projects with Worcester Warriors Community Foundation who help to build a legacy for sport, education, health and social cohesion across local communities. The children experience an hour’s classroom activity linked to sport followed by an hour of coaching in the inclusive mixed sport of Tag Rugby. Last term Year 5 had an excellent 6 week session on Sports Journalism and currently Year 3 have a cross-curricular project using rugby as a basis for learning while Year 4 are participating in rugby maths, linking the skills the children learn in the classroom to rugby. We have run these projects with the Warriors for some years now and they are always very worthwhile and enjoyable.

We are still looking for a **Lunchtime Supervisor** to oversee children during lunchtimes from 11.45 am – 1.15 pm on Monday, Tuesday and Wednesday each week. Duties include setting out and clearing away lunch tables and supervising children whilst they eat their lunch and this is rewarding work for a suitable candidate who enjoys working with children and wishes to join the happy team at this successful village school.

If anyone is interested in the above position for either one, two or three days a week do please get in touch with us via the website, email to the office on [office@sedgeberrow.worcs.sch.uk](mailto:office@sedgeberrow.worcs.sch.uk) or calling 01386 881391.

# St Andrew's CE First School

*Successful learners. Success for life.*

Our spring term commenced with a week-long music initiative by the Innervation Trust called 'iSingPOP'. The children learnt uplifting pop songs, which embodied our school's Christian values. These songs were performed at our official opening on Friday 9<sup>th</sup> January 2015 to a host of family, friends and invited guests to mark the completion of Phase 1 of our building project. This is the very first time the whole school has been able to perform together to an audience. Everyone thoroughly enjoyed the concert, and the children's infectious enthusiasm was felt by all. At the end of the concerts everyone had the opportunity to look around the school and view plans for our proposed new Key Stage 2 building phase which is due to commence in July. This will enable us to become a two-form entry school from September 2015.

Also, from September we are hoping to join eight other Vale schools in forming a Multi Academy Trust (MAT) with Prince Henry's High School Academy. We are aiming to consolidate our already well-embedded collaborative relationships to ensure the preservation of the ethos and values of individual schools within the Prince Henry's pyramid.

Our classes are now fully immersed in their new topics for this term. Reception's topic is 'Food, Glorious Food' looking at healthy eating as well as traditional stories which refer to food. Year 1's topic is 'Chocolate!' 'Up, Up and Away' is Year 2's topic, which teaches children all about weather, balloons and wings. Year 3 and Year 4 are studying Ancient Egypt and, to enhance their learning, have planned a trip to the Birmingham Museum. 'Eureka' is Year 5's topic, which studies the Ancient Greeks.

**Snowdrops (Galanthus)** are a welcome sign that the brighter days of spring are on their way. They are surprisingly varied in height, flower size, shape and even colouring. Given a moist soil they will multiply into drifts and provide plenty of plants to share with fellow gardeners.

The Rococo Garden at Painswick has one of the largest naturalistic plantings of snowdrops in the country. Painswick Rococo Garden is a unique 18th century garden set in a hidden valley with lovely views of the surrounding countryside.
