# Prayers ... for the Church

*To you I call, O Lord my rock.*

As we follow the Church's calendar through March to the beginning of Holy Week, pray for Christian people throughout the world as they pray together; may they find this a time to come together in Jesus, putting their differences behind them. On March 19<sup>th</sup> we have the Festival of Joseph of Nazareth and on 25<sup>th</sup> the Feast of the Annunciation of the Blessed Virgin Mary; give for the living care they gave to the growing Jesus and pray for families everywhere that they may be inspired to follow this example. Pray for the congregation of the church in Sedgeberrow dedicated to Mary; in coming together may they find strength in their mission enjoy in their fellowship. Give thanks for the part played in our worship by our members who read the scriptures to us at our services.

# Prayers ... for the World

Continue to pray for our war-torn world, this month for the victims of the seemingly endless violence inflicted by Boko Haram on the people of north-west Africa, for those lives are disrupted by ISIS in Middle East and the people of Ukraine in their continuing civil war. We should find time too to give thanks for the relief agencies who seek to bring aid wherever they are needed. Pray especially for those who concentrate their efforts on children in need, giving thanks for their unselfish service and for the difference they make to children's lives. Bring to God the needs of the various countries of South America and pray that the riches of those countries may be more equally enjoyed.

## **From Mark Binney**

### **LENT**

The early Church used to hold baptisms on the most important celebration in the Christian year, Easter Day. The candidates were given a course of preparation so that they could understand the Christian faith. The climax of this was when they fasted for 40 days before Easter, imitating the 40 days that Jesus fasted in the wilderness before beginning his ministry. To abstain from excess and devote themselves to prayer had an improving effect on the candidates. Other Christians soon clamoured to be able to do the same. So began the celebration of Lent.

The colour used in vestments and on the altar is purple. Some churches use unbleached linen to represent the sackcloth, which formed the usual clothing of people who were repentant. Sackcloth and ashes gives its name to Ash Wednesday, the start of Lent, when it is traditional to receive the mark of a cross of ashes on your forehead. The congregation is invited 'to the observance of a holy Lent, by self-examination and repentance; by prayer, fasting, and self-denial; and by reading and meditating on God's holy word.' It is if you like, a bit of spiritual gardening. It is easy to neglect the soul when faced with all the temptations of the modern world. Many people give up for a while something which they like eating or doing. This might be from Monday to Saturday every week in Lent or for the whole of the 40 days. Jesus told us not let anyone know we are fasting. We deny ourselves in this way to help us resist the big temptations in life. The person who cannot resist a little temptation will be vulnerable to the larger ones, which come along. These might be life changing and addictive. We don't deny that pleasure is good but we want to be sure that we can keep it under control. Lent is a time when we journey into our inner thoughts and actions to reflect on our relationship to God. Is there anything, which separates us from Him? Is there anything we can do to strengthen our faith? You may wish to attend the Lent course on Monday evenings, 7pm at All Saints Church, or the Alpha Course on Tuesday evenings, 7pm at Bengeworth Church. All are encouraged to pray, read the Holy Scriptures and attend worship. It just takes a little self-discipline to make a special effort.

## Open the Book

We have 5 Church Schools in Evesham and we have Open the Book in 3 of them: St. Richards, St. Andrews, and St. Egwins. It is really hard for smaller churches to provide a team solely for the school that is attached to their church. The Asum Group however, could provide a team of people who can go to each school and provide a fortnightly assembly, which lasts approximately 20 minutes each. The links between our Church Schools and our Churches are really important.

We would like to be able to extend Open The Book to Sedgeberrow First School and Bengeworth Academy, as well as add to what we already do, but we need your help in 6 different ways:

- Be part of the Acting Team who act out a different story each time (there is a script)
- Be part of the Prayer Team who lead the short prayer at the end (also in the script)
- Be part of the Props Team - props are needed for each story (no need to turn up for the assembly unless you wish to)
- Be part of the Costume Team. We need a whole wardrobe of costumes for adults and children (also no need to turn up for the assembly)
- Be part of the Audience - some of the schools would be delighted to welcome Parishioners to watch the Open The Book assembly
- Please pray for the Open The Book team as they go into schools each week to help children learn about the stories in the Bible.

See a video about Open the Book at: <http://AsumGroup.org/open-the-book>

## Open the Book

'Open the Book' began in Bedford in 1999 as a project to tell children the story of the Bible. It quickly spread, and in 2008 became a national organisation, based in Gloucester.

# WOMEN'S WORLD DAY OF PRAYER

(INTERNATIONAL AND INTERDENOMINATIONAL)

**6th March 2015**

**2.30pm - Evesham Baptist Church**

This year's service has been prepared by Christian women from the Bahamas on the theme of 'Jesus said to them: "Do you know what I have done to you?"' (John 13:1-17).

Everyone is very welcome – men, women and young people.

## **Church Electoral Roll**

The church electoral roll is the formal list of church members and everybody who worships regularly should be on the roll. Each year the roll must be brought up to date. If you are not already on the roll please complete an application form (available in church). It is important that the list is up to date.

At St Andrews completed forms must be returned to Michael Hunter, The Electoral Roll Officer, by 29th March.

## Five Good Things About Lent

In case you're thinking at this time of the year that Lent is (as one writer recently described it) 'all purple and prohibitions', here are five good things about it.

1. It only lasts 40 days. Fasts, by their very nature, can't last forever, but Lent has a very manageable forty days. (If you're thinking at six weeks and a bit it's longer than that, see Item 2)). New Year Resolutions simply stretch off into some impossibly distant horizon, but our Lenten attempts at discipline (chocolate, cigarettes, daily prayers, being kind to the cat) have an end date to them.
2. Sundays in Lent are 'as oases'. Sunday is never a day of fasting, but a weekly celebration of the resurrection of Jesus. So - and this is official! - Sundays don't count in Lent.
3. A bit of self-denial is better than a lot of self-indulgence. We live in a very self-indulgent society. Just for forty days it's no bad thing to deny ourselves something that is a minor luxury or a bit of self-pampering - especially if it saves some money which could go to people in the world who have no 'little luxuries'.
4. It's a journey towards Easter. Lent goes somewhere, and that somewhere is the empty tomb of Easter morning. It's daffodils in the churchyard and new life all around us.
5. The days get longer. The English word for this season is the only one that has no religious significance at all. 'Lent' is simply an abbreviation of the Old English word 'lencten', which means 'lengthen'. On these islands, where weather is always a major topic of conversation, it's not surprising that what people noted about the days of Lent was that they got longer - no more of those ghastly dark tea-times. But the 'lengthening' is all part of Item 4, really - moving towards new life. (Sadly, Items 4 and 5 don't apply in Australia and New Zealand. Doubtless they have compensations.)

Given those five splendidly positive things about Lent, which covers the whole of March this year, I trust readers will approach its rigours with joyful hearts.

## Prayers ... for the people around us

Pray for the shops and businesses that serve us in our area that the people there may find satisfaction in their work and that their businesses may thrive. At a time when fewer people happily are unemployed, ask God's blessing on those who are still seeking employment, that they may be strengthened and successful in their efforts. Pray for the young people amongst us as they begin to make their way into our adult world. Leisure time is important to all of us; give thanks for those organisations which present leisure activities, amongst them this month especially sports clubs and the Friendship Club in Hampton.

## March 29 - Palm Sunday: Jesus at the gates of Jerusalem

Holy Week begins with Palm Sunday, when the Church remembers how Jesus arrived at the gates of Jerusalem just

a few days before the Passover was due to be held. He was the Messiah come to his own people in their capital city, and yet he came in humility, riding on a young donkey, not in triumph, riding on a war-horse.

As Jesus entered the city, the crowds gave him a rapturous welcome, throwing palm fronds into his path. They knew his reputation as a healer, and welcomed him. But sadly the welcome was short-lived and shallow, for Jerusalem would soon reject her Messiah, and put him to death. On this day churches worldwide will distribute little crosses made from palm fronds in memory of Jesus' arrival in Jerusalem.

## March 15 Mothering Sunday – 4th Sunday in Lent

The Fourth Sunday in Lent was called 'Mid-Lent' or 'Refreshment Sunday', when the rigors of Lent were relaxed more than was normal for a feast day. It is called Mothering Sunday as a reference to the Epistle reading for the Day (Galatians 4:21-31). The Lenten Epistles follow from each other with teaching about our life as Christians and how we are to follow Christ. On Midlent Sunday the Epistle talks of bondage and freedom; the bondage of the Law and the Old covenant as compared to the freedom in Christ, "the promised one", and the New Covenant. Verse 26 reads "But Jerusalem which is above is free, which is the mother of us all." We gain our freedom from Christ and, as it was seen before the Reformation, the Church.

Thus Mothering Sunday is about the freedom that we gain through the promise of Jesus Christ delivered through our Mother the Church. People were encouraged to go to their 'Mother Church' (their home church or their home Cathedral) to worship and give thanks. Hence apprentices, and others, went home for the weekend and often brought gifts (or accumulated pay) home to their family.

On the other hand, Mother's Day is a secular festival invented in 1904 and is celebrated on the 2nd Sunday in May in most countries in the world. The British Isles seem to be the exception. In recent years Mothering Sunday has been hijacked to take the place of a special, secular day to give thanks for our mothers.

## Simnel Cake

Early traditions saw Simnel Cake being eaten on Mothering Sunday, but it soon became customary to keep the cake until Easter Sunday. See the next page for some Simnel Cake facts.

## Simnel Cake Facts

- This rich fruit cake was said to test the girl's skills as a cook. If it remained moist and maintained its taste until Easter Sunday, she was seen as a good cook.
- The name simnel is derived from the old French word simenel via the Latin term used to describe the finest flour for baking cakes, simila.
- Simnel cake is a rich fruitcake covered with a thick layer of almond paste or icing, and decorated with eleven small balls of almond paste – made to signify all the apostles except Judas.
- Originally, the crust was occasionally made from a mixture of flour and water, which was coloured with saffron.
- The earliest simnel cakes were more akin to biscuits due to their size and thinness.
- Another tradition was to engrave a figure of Jesus in the centre of the cake with the 11 or 12 paste balls surrounding the image.
- Traditionally these cakes were also decorated with fresh flowers, although these days most cooks use crystallized flowers – such as violets and primroses – or fluffy chicks and coloured eggs.
- An early mention of Simnel, dated early 1200s, appears in the history of the village of Comberton. A manor was given to Erchenger, the baker, who had to provide a hot simnel loaf to the King each morning in return.

**Why do people get rid of their pets?** You would be surprised. So was the Dogs Trust charity, when they began to ask for explanations.

One man handed in his dog to the charity explaining he couldn't keep him because "he looked different after we had walked him in the rain." Another family complained: "he wags its tail too much"; another that "he chases frogs"; while for another it was because "he was scared of the cat next door." Energy levels came into it: one owner gave up because "all he did was sleep; we wanted a dog to play with", while another had the opposite reason: "Too playful; we haven't sat down since we got him." **The Dogs Trust** continues to stress that people should not buy dogs on a whim. The rise of internet sales and puppy farms means that abandoned pets are still a big problem.

## **St Andrew's Fellowship – 10 February**

Before introducing our speaker for the February meeting, we had a vote to see which was to be our Charity for 2015. The three nominees were: The Vale School, The Christian Centre and Evesham Shopmobility. The Charity chosen by a large majority was 'The Vale School', a very worthy cause, and any money from this year's fundraising will to them.

Because we don't meet during August, members were asked if they would like to go by steam train from Toddington to Cheltenham and back, followed by tea in a café. All hands shot up, including some members who asked if they could bring partners. It looks as if this will be a popular outing!

It was then time to introduce our speaker, Carol Icke, who gave a very interesting talk on 'Lace Making', and the origins of various pieces, all of which had been made by Carol. After Carol had answered members' questions, a few volunteers had a go at this very difficult craft, which Carol started 50 years ago.

Our next meeting at the Hampton Guide and Scout Community Hall will be on Tuesday, 10 March at 2pm, when Nick Grainger from British Bespoke Auctioneers, will talk about his work as an auctioneer and valuer. If you would like to come along as a visitor, to see if you might like to join The Fellowship, please ring 01386 49161 to find out more.

# Hinton on the Green – St Peter’s Church

**THANK YOU**

**from Rosemary Cross**

How many times do we say this over the course of the day? Two small words which seem insufficient to their task; they are two of the most important words we can say. We all like to be appreciated and to know that our efforts have not gone unnoticed and although many of our actions are done selflessly a bit of acknowledgement goes a long way.

So...THANK YOU...to everyone out there who has contributed to village life during the course of the last year. Through your hard work we have started to build more of a community in Hinton and we are getting the resources together to tackle the repairs to the church of St Peter’s which is your church and meeting point.

Among the fantastic group of workers we have churchyard mowers, bulb planters, gardeners and pruners; we have church cleaners, flower arrangers and pest controllers; we have readers, organists and ministers; we have untiring cake and preserve makers, stall holders and entertainers; we have book-keepers, service planners, ‘bar staff’ and servers of meals; we have a village Facebook page, someone who reminds us when to put out our bins and others who made sure a much-needed post-box was finally replaced; we have organisers and movers and shakers; we have people with the strength, both in body and patience, to put up (and take down) the marquee – and that’s no small feat!! As a result we have a COMMUNITY and that’s thanks to all of you good people and to everyone who has attended events and been so supportive of the P.C.C. and other village groups. THANK YOU.

**Afternoon Tea: Tuesday 31st March** - 3pm to 5pm, will be hosted by Sheila Frost at School House. It's a good way of relaxing and meeting fellow villagers and friends of St Peter's. We look forward to welcoming you all there!

## Hinton’s Easter Bunny

*A rabbit has a shiny nose  
As nature did intend  
Because his little powder puff  
Is at the other end!*

This is Hinton’s Easter bunny and he is looking for a name!

He will be living in St Peter’s church, Hinton in the run up to Easter.

Please pick a name for him and leave it on the list, which he is looking after, along with your name and phone number.

His name will be picked and the winner announced on Easter Sunday on the 5 April at our 11.15am service. The winner will get an Easter treat!

**GOOD LUCK!**

## Hampton WI – February 2015

Ann Evans welcomed members to this month's meeting and began with business matters. Transport arrangements were made for our lunch at Broadway Golf Club on the 25th and Ann encouraged members to look at the book and put their names down if they were interested in outings to Tudor House and The Hive in Worcester. A page had also been included for a morning skittles match, possibly followed by lunch, at St Ecgwins Club.

Four members have birthdays this month and they were presented with posies made by Ann (including red roses to mark St Valentine's Day). Ann said she planned to do this each month during her presidency, using seasonal flowers as the year progressed - a lovely idea and the 'birthday girls' were delighted.

It was then time for Sue Ablett to talk to us about the Waterways of Russia. Sue had studied Russian at university and had paid several visits to the country, but had not joined her husband on the 10-day journey along the 1100 miles of waterway from Moscow to St Petersburg. However, the itinerary he received had been extremely detailed and he had taken some excellent photographs, so Sue was well equipped to speak about it. We learnt that the trip included rivers and lakes, joined by canals, which had been constructed to link Moscow to the coast. We saw slides of both cities, showing spectacular buildings as well as some of the beautiful artworks housed in the Hermitage Museum in St Petersburg, and a picture of Lenin's Mausoleum in Moscow's Red Square, where people still queue to see his embalmed body. We all enjoyed Sue's entertaining and informative talk.

Sue kindly judged this month's competition, for an item beginning with 'F', and the winner was Chris Robertson with an ornamental fish. Next month it's 'M', so get your thinking caps on ladies.

John Darby will tell us about the work of the **Evesham Street Pastors** on 12 March and in April **Prime Ministers' Partners** will be the subject of David Howe's talk.

We are always pleased to see visitors, so do come along to one of our meetings at the Hampton Guide and Scout Community Hall. You will be made very welcome.

Our meetings are held at the Hampton Guide and Scout Community Hall on the second Thursday of the month at 7.30 pm. Do come and join us.

Marie Curie  
Cancer Care

## March brings daffodils – time to remember Marie Curie Cancer Care

Spring is a good time to celebrate the British charity Marie Curie Cancer Care, whose symbol is the daffodil. Named after the Polish-born scientist, who was awarded two Nobel Prizes (in 1903 and 1911), the charity was established in 1948, the same year as our National Health Service came into being. Following the donation of an engagement ring to help raise funds, the very first appeal was launched and raised £4,000. By 1950 the ongoing appeal had raised £30,000 and two years later the Marie Curie Memorial Foundation officially became a charity. Today it is based in Hampstead, London, and is called Marie Curie Cancer Care. It seeks to ensure that everyone with cancer will have the high-quality care and support they need, in the place of their choice.

Marie Curie Cancer Care supports the funding of several long-term Palliative Care research facilities in London, Liverpool and Cardiff and encourages research across its hospices and nursing service.

For those readers who may know a relative or friend who has cancer and whom they would like to help, just listening to them can be valuable support. Remember that it's important to offer before you do things – otherwise they may feel a lack of support which is not helpful. Be specific: it is better to say “Can I do the shopping?” (for example) than “Is there anything I can do?”.

## “Reach for the Stars”

The term is passing by very quickly once again but with lots of exciting topic work going on enabling children to learn through our rich and broad curriculum. Reception have been doing a wonderful topic on Pirates and Mermaids and produced some lovely treasure maps. Year 1 are looking at the weather and using our new scientific instruments (wind streamers!) to record the direction of the wind. They made wind streamers before heading outside to see which direction they blew in using the compass and later made their own kites. On another day they went outside and observed the clouds before performing a simple test to understand what clouds are made from. They now know that clouds are made from tiny droplets of water and have made rain gauges to collect data- just like a scientist!

Year 2 topic is all about monsters which is bringing in some exciting activities and Year 3 have been looking at

Romans while the Year 4 topic is currently about ‘Junk to Funk’. They have been designing and making clothes made out of junk materials and learning how to weave starting off by weaving two different crisp packets together. They look amazing!

They can't wait to try out some more techniques to make their clothes look stylish and cool. Harry has used a Lidl bag and an old comic to make a wonderful Scooby-Doo top - how much would you pay for such a wonderful design??

Year 5 have been studying 'Space' and recently made their own rockets which they were able to launch in the school playground using vinegar and bicarbonate of soda to fuel them. Some reached amazing heights! Do have a look at the wonderful video on the Year 5 blog page of the website.

### **From Michèle Humphreys**

It is with regret that I have made the decision to retire as head teacher of Sedgeberrow C.E. First School at the end of the summer term after eight and a half very happy and successful years here and thirty-five years in the teaching profession altogether. I feel very proud of the developments and achievements I have been able to lead during my time here culminating in the outstanding year we have just completed. The hard work and dedication of the whole fabulous staff team together with the excellent attitudes to learning from our wonderful children make the school the happy and successful that it is and I will be very sad to leave but the time is right and I know that the school will only continue to go from strength to strength in the future under the guidance of a new head teacher.

## Successful learners. Success for life.

The last half-term has been another action-packed learning extravaganza for every class. To enhance their topic work, Years 3 and 4 made a visit to the Birmingham Museum and Art Gallery. The children astounded Museum staff with their knowledge about Ancient Egypt. Later that week, Year 3 held an Egyptian Exhibition in their classroom and each class came to view their work.

Our Year 2 class visited the Midland Air Museum in Coventry to coincide with their topic, 'Up, Up and Away'. The children had a wonderful time exploring many aircraft, including climbing inside the cockpit of a Vulcan Bomber! Also, Key Stage 1 recently enjoyed a morning of science-based activities, which allowed the children to measure, record and discuss different elements of force, particularly push, pull and twist.

On Monday 2 March, St Andrew's are hosting the Evesham First Schools Cluster Gymnastics Festival. It is the first opportunity we have had to host a cluster event since building work began last year. Year 4 pupils from our cluster schools will be putting our new hall to good use. Coaches and Young Play Leaders will be providing activities and training throughout the morning, which promises to be a superb experience for all.

We are celebrating World Book Day on Thursday 5 March at St Andrew's this year. Children will be invited to come to school dressed as their favourite book character and will take part in literacy activities during the day. Also this term, Year 3 will be attending the annual Music Cluster Festival at Evesham Arts Centre where they will be singing a song of their choice to other schools in the area.
