# Letter from the Bishop of Worcester

## All Together as Kingdom People

**Saturday 28 September**

### Worcester Cathedral

It is now over five years since our **Kingdom People Vision** was unanimously and enthusiastically adopted by Diocesan Synod in 2013.

The Church is God's gift to the world, which is called to be an effective sign of God's Kingdom. God's mission is to reconcile the whole creation in Jesus and establish the reign of God. Jesus's first words in his ministry were 'Repent and believe the good news: The Kingdom of God is at hand'.

As Christians, we are called to be Kingdom people: those who both hear and proclaim that message, becoming agents of the transformation of the world according to God's loving purposes in Jesus. Churches should be places where people seek to live out their vocation to be Kingdom people and where the Kingdom values of love, compassion, justice and freedom are embodied and proclaimed.

On **Saturday 28 September**, we will once again come together in Worcester to worship, share resources and be inspired in this vision and our 'Kingdom People' journey. You may remember our last such day in 2015: it was a great occasion, with people gathering from right across the Diocese.

Highlights this year include the presence of the Bishop of Liverpool, Paul Bayes, (formerly one of our honorary canons) and a wide range of workshops - from which you'll come away with new ideas to reinvigorate your worship, connect your faith with life beyond church walls, or help make running your parish easier. There will be sessions suitable for families to attend together as well as practical prayer stations and a chance to be involved in a 'Kingdom Arts' project. The day will also include a ministry of hospitality with breakfast and afternoon tea provided free of charge, courtesy of a gift from a charitable trust. You'll just need to bring lunch (or take the opportunity to head into Worcester in the break to get something). I'm hoping very many people from across the Diocese will come and join us to worship, learn, share and eat together.

Please do look out for more information on the diocesan mailing and website. To enable us to plan workshops etc, we'd be very grateful if people could book in through the Eventbrite website as early as possible and definitely before Saturday 14 September.

I hope to see you there!

**Bishop John**

## A prayer for Summertime

Lord God,

We put ourselves into Your hands, and pray that You will bless us and our families during the wonderful months of summer. May we all help make our home a place of relaxation, joy, love, peace and safety.

May we be generous and considerate, not thinking only about ourselves, but helping others enjoy the blessings of summertime.

We ask this through Jesus Christ, our Lord. **Amen**

## **Annual Report**

### **Great and Little Hampton Educational Charity 3 April 2019**

#### **Registered Charity number 702528**

The Charity Commission now ask all charities to publish each and every year in their Annual Report an outline of their purpose and organisation. I apologise, therefore, that the following two paragraphs of the 2019 report by necessity cover the same points as last year.

So.... we exist to provide financial support, at our discretion, to residents of the parish who are under the age of 25 and engaged in education or an apprenticeship. The Charity can be contacted via our Clerk, Mrs Jan Dodwell of 50 Sycamore Avenue, Evesham WR11 1YE. We are 5 Trustees who meet 3 times a year. At our meeting in November we consider the main batch of applications and decide how best to disburse the bulk of the income. We meet a second time in Jan/Feb to consider any special business which may have arisen, and we hold our AGM in May or June.

The make-up of the Trustees is set down in the terms of the Charity. The vicar of Hampton, the Rev. Mark Binney is a member by virtue of his office. Evesham Town Council is represented by County Councillor John Smith. The County Council's nominee is me, Jim Griffiths, who also happens to be the Chairman at the moment. We have two co-opted Trustees: Mrs Ros Saunders and Mr Craig Jennings.

The major difference in the past year lay in the sheer number of applications we received. Perhaps because more and more students are moving on to higher forms of study, we had 55 applications instead of the 44 in the previous year. Our income remained very much the same (£2917 instead of £2838), so we had to drop individual grants very slightly. In fact we managed to reduce the grants on average by only £5 each, by not re-investing our usual £500 or so from income by which we seek, when we can afford it, to protect the value of the fund for future generations. Out of a total income for the year of £2,910, we distributed £2330 in grants to 54 applicants in total. 42 degree-students living away from home received £45 each; 9-degree students were living at home and had £35 each. We awarded £30 each to a further 3 who were living at home and following FE courses, such as A-level. We awarded £35 to one FE student who was living away from home. One application was refused.

The honorarium of our highly efficient Clerk still remains at £230, where it has been for a good number of years. Costs for stationery and postage increased to £84.43. We would like to express our gratitude to our new auditor, James Turner, who's already proving a valuable asset to the work of the Charity.

Our total expenditure was therefore £2644 from an income of £2917.

Our policy of buying more shares, when we can, in the Charities Investment Fund continues to pay good dividends. Literally! In January 2018, the market value of the fund had stood at £84,982 compared to £77,994 at the same time in 2017. This March we are pleased to write that the investment is now worth £88,726. Since we moved the funds from a Deposit account to an Investment account, we have bought extra shares over the years to the value of £5,600, usually at the rate of £500 in a year when we can do so without penalising current applicants. In this way the value of the fund has been helped to increase by some £40,000. Should dividends fall dramatically, or we experience a huge increase in the number of current students making applications, we can always draw down from the fund to maintain the value of the grants.

Recent official minutes express it more formally:

“Trustees were aware that funds accumulated without a power to convert them to endowment continue to be income funds and that such accumulated income funds are unrestricted and count as reserves and that they must be reported as such in the annual report.

Trustees had acknowledged that any future capital growth resulting from such investments would be available for distribution as and when needed.”

We are very conscious of our duty to safeguard the function of the fund for future students and apprentices of Hampton parish as well as to support current young residents. So the fund is in good heart and we look forward to maintaining the aims of the Charity for many years to come.

*Jim Griffiths*

# Hinton on the Green - St Peter's Church

## Hinton Church Fete

**Sunday 7 July from 12 noon**

If anyone would like to help with the Fete, please get in touch with a PCC member. We need cakes for the cake stall, and hats and handbags for the hats and handbags stall, bottles and any other saleable items that you would like to donate.

Hinton is a small village, but we still try to do our best to help local people who may need a hand. Villagers always look out for one another and operate quite an effective Neighbourhood Watch as well.

Gifts for 'Caring Hands' to help the unemployed, low paid and needy are left in the Church and taken into Evesham regularly. From October up to the beginning of June over 200 items were taken in. Thanks to those who provided them and those who have transported them – especially to Maureen Cottrill. You don't need to be a Churchgoer to help with this initiative as goods can be left in the Church porch. Please choose long date items which keep well such as tinned goods, rice, pasta and cereal; don't forget toiletries are always very welcome as well as hygiene products, soap, washing powder etc. Thank you.

We still need help with our Churchyard as recent wet weather has made everything grow fast. This month the PCC thank Terry Richardson and David Cross for their work. Please think about giving up a few hours to assist.

St Peter's Church in Hinton had a chancel in mediaeval times and it was still in existence in 1572 but was destroyed by fire sometime between that date and 1700 when the Church was described as having 'one complete aisle' The new chancel was built in 1895 at a cost of £600 and was designed by John Dando Sedding, a noted Arts and Crafts architect (One of his other churches is Holy Trinity, Sloane Street in London.) Purchase our short guide to St Peter's next time you visit and find out more about this fascinating old church.

Don't forget that you get more out of life the more you put in. To experience your village as a community, why not volunteer to help with fund-raising activities to save the bells and refurbish our church as a community centre/church, or volunteer to keep our churchyard looking tidy. Many hands make light work but, as usual, it is the same few people who make things happen in the village – more active participation would really help!!

*Well, where's the note for the milkman this week I hear you ask – how about this? One cheeky note said 'When you leave the milk please put the coal on the boiler, let dog out and put newspaper inside the screen door. P.S. Don't leave any milk.' Honestly!*

## Hampton WI – June 2019

President, Jan Scutt, welcomed 23 members to the meeting on 13 June.

An invitation had been received from the Honeybees WI, to an Open Evening on 17 June, to hear about Spinning and Weaving.

The WFWI Annual Council Meeting would take place on Saturday 9 November.

Caring Hands were holding a Fete on 13 July at the Christian Centre, Evesham.

The bimonthly lunch had been rescheduled for 14 August at Peopleton.

The visit to see the Alpacas would take place in September.

Ann Evans thanked those members who supported the Open Gardens event in Hampton, at the beginning of June. Approximately £800 was raised for the Flower and Vegetable Show in September.

David Barrie was our speaker for the evening, and he presented a most interesting, humorous talk on the 'Confessions of a Wine Taster'.

In a previous life, David had been a professional wine taster. His fascination began in his teens when he visited wine merchants with his Dad. As a 16-year-old he decided to enter the profession with the firm Peter Dominic. David reminded us of Parfait Amour and Blue Curacao, followed by the Champagne Perry that we knew in our younger days as Babycham! During the 1960's he began to travel to Spain and was able to purchase Spanish Burgundy or Sauvignon Blanc at 3s 11p a bottle, (about 20p today). Over the years he gathered an extensive sensory library and vocabulary.

In those younger days of his life, he saw wine stored underground beneath the Real Tennis courts of Henry VIII, in Orange Street London, where there were extensive cellars. David became a Quality Control Taster, sampling hundreds of wines before lunchtime, and the Gin collections after lunch! David assured us the bouquet of gin was the most wonderful of all. Later in his career he became a Wine Buyer.

David answered many questions and explained why different wines have specific flavours. This was a most interesting talk and very much enjoyed by all members who then tasted and gave opinions on two wines for fun. Nibbles were provided. He took us all back to long almost lost memories.

The meeting concluded with Refreshments and the Raffle.

If you would like to join us at one of our meetings, do come along. We are always pleased to see visitors and you will be made very welcome. We meet in Hampton Guide and Scout Community Hall on the second Thursday of the month at 7.30pm. For further information, please contact, Joyce Davey on 01386 443755.

## St Andrew's Fellowship – June 2019

Our June meeting was very successful, with 18 members (including one new member) in attendance. The club was nice and warm – unlike the weather outside! John welcomed members, and we began, as we always do, with our prayer. Then John gave the apologies of four members who had indicated their unavoidable absence.

During the course of the afternoon, we arranged our two outings in July and August. Names were taken, and transport arrangements (more or less) sorted! The speaker for the afternoon was Diane Abbott, from the Vale of Evesham Christian Centre, and who runs the “Caring Hands” outreach on behalf of Churches Together in Evesham. We were surprised at the extent of the work they are now doing, and at the amount of support they are providing to those who really need it in our community.

They have developed hugely since their inception (16 years ago!!) and they have some really exciting developments in the pipeline if everything works out. Diane's own enthusiasm and commitment came across clearly, and after being thanked for telling us all about “Caring Hands in the Vale”, Diane left to go and help someone else, taking with her a donation from the club for their work, a bundle of toiletries and other items brought along by members, and our good wishes for the ongoing success of this brilliant initiative.

**For our July and August meetings, please note the following changes from our published programme.** On 9 July, we will be going to Hillers Farm Shop and Garden Centre for a look around, and a cream tea. We will be making our own way there, and cars have been organised. Those leaving from the Club, will depart at around 2.00, and return soon after 4.00.

Then, on 13 August, we are visiting Hanbury Hall. For this excursion, we will be taken by Cresswell's midibus, leaving the Club at 11.00 and returning by about 4.30. If any members were not able to be at the June meeting, and would like to come to either outing, please contact John or Shirley Lynch ASAP on 553392. Places are available for both.

We will be back in the club on 10 September, to hear about the fascinating history of Wood Norton Hall. New members will be warmly welcome to that and subsequent meetings. For more information, ring John or Shirley, on 553392.

### **Here is a summary of our programme for the rest of 2019:**

Sept 10 <sup>th</sup>	<b>History of Woodnorton Hall</b>	Alan Tutton.
Oct 8 <sup>th</sup>	<b>Where do stories come from?</b>	Sue Johnson.
Nov 12 <sup>th</sup>	<b>Philippine handwoven bags</b>	Analiza Jones.
Dec 10 <sup>th</sup>	<b>Fellowship Christmas Party</b>

*Successful learners Success for life*

We cannot believe how fast this academic year has gone! The Summer Term has been extremely busy, with lots of outdoor learning, including weekly forest sessions for each class. Children have enjoyed many activities in the woodland including making fires, cooking, hunting and identifying minibeasts, and much, much more!

Once again, our Link & Learn have been extremely popular, with many parents and carers attending to work alongside their children. Their popularity is not only because they provide a wonderful opportunity for children, parents, carers and our staff to all work together collaboratively, they also show everyone what we are learning, and how.

This last half-term saw the introduction of new clubs; Zumba, STEM Club, Football Club, Baton Twirling and Gardening Club. The children are thoroughly enjoying these extra-curricular clubs and we hope to introduce more on our return to school in September.

At school, we have a daily act of worship based around a set of Christian Values which are relevant to everyone of all faiths and none. Last half term's value was '**TRUTHFULNESS**' and parents and carers receive a document attached with our newsletter, which gives them ideas of how to explore the value at home with their child.

On Friday 21 June, we held our annual Sports Day today. This was a wonderful event and the children did us all proud. Their competitive spirit, coupled with sportsmanlike conduct throughout, was a pleasure to see. A big thank you to all those parents, carers and staff who got involved in the races. The children love to see us all having fun together and it all contributed to the wonderful family atmosphere that is such a fabulous quality of St Andrew's.

This year, our PTFA school fete was held on Saturday 22 June at 2pm. Children, in exchange for lucky jam jars, bottles and gifts had been able to wear non-uniform on the weeks leading up to the fete. The sun was shining, and we had a record number of people through the gate.

In the meantime, thank you for continuing to support St Andrew's and our school community.

Have a wonderful summer break!
