# Letter from the Dean of Worcester

## Using social media responsibly

Social media have become a way of life for many people. And like any way of life, social media are an opportunity and a danger. Social media can do good and can cause harm. Using social media well is a craft that needs to be learnt.

The Church of England has recently put forward ten guidelines for the good and positive use of social media. While designed for those using church social media accounts, they are simple guidelines that we would all be the better for following.

Be safe. The safety of children, young people and vulnerable adults must be maintained.

Be respectful. Do not post or share content that is sexually explicit, inflammatory, hateful, abusive, threatening or otherwise disrespectful.

Be kind. Treat others how you would wish to be treated and assume the best in people. If you have a criticism or critique to make, consider not just *whether* you would say it in person, but the tone you would use.

Be honest. Don't mislead people about who you are.

Take responsibility. You are accountable for the things you do, say and write. Text and images shared can

be public and permanent, even with privacy settings in place.

Be a good ambassador. Personal and professional life can easily become blurred online so think before you post.

Disagree well. Some conversations can be places of robust disagreement and it's important we apply our values in the way we express them.

Credit others. Respect copyright and always credit

where it is due. Be careful not to release sensitive or confidential information and always question the source of any

content you are considering amplifying.

Follow the rules. Abide by the terms and conditions of the various social media platforms themselves.

It would take very little effort on the part of any of us to stick to these. But a huge amount of unhappiness could be avoided, if we did. Some people would not be permanently damaged. Even some lives would be saved.

**Peter Atkinson**  
**Dean of Worcester**

## A prayer for September

Creator God, you love all that you have made.  
 Forgive us when we do not treat others as those  
 created and loved by you.

We **pray** for children and young people returning to  
 school or college this month. We ask that you would  
 inspire them with a love of learning and a thirst for  
 knowledge.

We ask this through Jesus Christ, our Lord. **Amen**

### Sedgeberrow Church News

Our Coffee Mornings are still doing very well.

The June coffee morning made £175, and the one in July made £166.

Our Summer Fete made a good profit of £512. The proceeds from the Coffee Mornings and Fete are all going to the Church General Fund.

The next coffee mornings are 26 September and 24 October.

The Harvest Festival Service is on 22 September at 10.30am.

Look out for details of the Harvest Supper, as the date will be announced in the weekly Pew sheet.

Looking ahead, the Christmas Fayre will be held in Church on 16 December at 10am. The display of Christmas Trees will be on 8 December.

**Annually**, on the second Saturday in September, cyclists, pedestrians, horse riders and motorists descend on Britain's roads and footpaths to take part in the

sponsored Ride & Stride event, fundraising for their local County Churches Trust. This annual event provides the main source of income for each Trust and enables them to make grants to churches in need. Ride & Stride is inter-denominational, and participants are invited to seek sponsors who pay an agreed amount for each place of worship visited by bike, foot, horse or car on the day, between 10am and 6pm.

The many volunteers across the nation who wait in churches and chapels to record the visits of all the riders and striders are as incredibly important as those who take part in the event and sponsor it. This great event is a real community effort and is central to the work of the Trust. In the twenty years since the churches in this county have been involved, more than 200 have received grants for much-needed building repairs or fabric improvement. The money raised by each participant is shared equally between the Worcestershire and Dudley Historic Churches Trust and a nominated place of worship.

This year, the event will take place on **Saturday 14 September**. Find out more about our county's Ride & Stride via email on [worcestershire@rideandstrideuk.org](mailto:worcestershire@rideandstrideuk.org), or on their website: <https://www.rideandstrideuk.org/counties/worcestershire-and-dudley/>

### John Martin Service

THE annual service to commemorate the life of John Martin, one of Evesham's greatest benefactors, was held on Sunday 30 June at 6.30pm in St Andrew's Parish Church, Hampton.

John Martin's legacy is still making an impact on the lives of the people of Evesham to this day, by supporting individuals and organisations in the town.

His charity also helps to support the running of St Andrew's Church.

The service was attended by the Trustees of the charity and members of the Town Council, and is also an opportunity for the beneficiaries to attend, to express their gratitude.

## From Lisa James

**Hello!** In March, this year, I was diagnosed with breast cancer, in a very first mammogram. They found two cancers at the back of the breast of which I had no symptoms.

Even though it wasn't the best of news, the NHS has looked after me very well and got me through a very low time, but most of all I would like to thank my friends in the church who have been praying for me from the prayer list. I've had so many flowers, messages and treats from so many lovely people. Even had a message from the archdeacon!

Your love and support has kept me going. Chemo has finished, but I will be on medication for five years, with regular check-ups, and an injection every three weeks for 18 cycles.

On the 5 October I have signed up to hold a coffee afternoon in Hinton Church for Macmillan Cancer Support. It will be between 12.30 and 2.30pm

***Please come along and support some wonderful people.***

*Lisa James, Hinton Churchwarden.*

The Fete held in Hinton on the Green is now an established annual affair and enjoyed by locals and visitors alike. This year our Fete raised over **£1500** – it's hard work but good for community spirit and raises much-needed cash for church repairs. The organisers have appreciated positive feedback from members of the public, and it's also nice to know that folk have enjoyed a particular activity or prize! Maybe you would like to let the members of your PCC know what you most liked or disliked about our Fete, and perhaps you have suggestions or offers of help for next year.

Most people are still leaving their **WET SHEEP (PEW SHEET)** behind in the church. Take the poor creature home and refer to it during the week!

In Hinton, we do not have a defibrillator, and maybe this is something we should aim to get in the future. However, there are many places where there is one and you may be called upon to use it. I have been told that they are really easy to operate and literally talk you through what to do, but I'm still nervous that I might not be able to use it. Would anyone be interested in coming along to our Community Hall at St Peter's Church for a short demonstration of this piece of equipment? Phone **01386 443240** if you want to be included.

Once again our grateful thanks for voluntary work in the Churchyard go to Keith Gormley, David Cross, Neil Joscelyne and Angela Simpson. New helpers are always very welcome. Thanks to Neil for all the TLC to the church clock, and to Clare Davies for her hard work in raising funds for the church bell repairs.

## Hampton Guide and Scout Community Hall

# Waitrose

During September, the Hall will be one of the three causes in the Community Matters scheme. If you are shopping in in the Evesham branch of **Waitrose**. please vote

for us by putting your green token in our section of the collecting box.

The Hall is a valuable resource to many people in Hampton, both young and old. In addition to providing a meeting place for all the Baden Powell groups, it is used by a very wide cross section of the community as a whole, ranging in ages from Tots up to U3A (University of the Third Age). The more tokens we get, the larger our share of the monthly donation from Waitrose. Each month every Waitrose & Partners branch donates £1,000 between three local good causes.

## Hampton WI – July 2019

President, Jan Scutt, welcomed 23 members to the meeting on 11 July, and reminded members that there was a variety of greetings cards on sale in aid of The Haven Breast Cancer Unit at Worcester.

Members were reminded that the WFWI Annual Council Meeting would take place on Saturday 9 November at Malvern.

The Hampton Flower Show would be taking place on 21 September. If members wished to enter any of the classes, they were reminded that entries had to be in by 13 September.

The bimonthly lunch at Peopleton would be on 14 August, and the visit to the Alpacas at Sedgeberrow would take place on 3 September.

Joyce Davey passed on the sad news, for those who were not aware, that a former member, Cathy White, had died on 12 June. Several members had attended her funeral on 4 July.

Any members interested in playing in the Group Skittles Match on 4 October were asked to submit their names. Six players were required. The final would be on 18 October.

The entertainment for our Christmas Social this year would be provided by the U3A band 'Upstream'.

Names would be taken at the September meeting for a fish and chip supper at the October meeting.

It was then time for Adrian James to entertain us with an interesting talk entitled 'Folklore and More'. He took us through the seasons, and illustrated his talk with some excellent slides, including Morris Dancers and different depictions of the Green Man, which appear in many churches and other buildings, both in this country and in other cultures.

The competition for 'A Posy in a Pot' was won by Ivy Pullin

We then enjoyed refreshments and the raffle was drawn before the meeting drew to a close.

If you would like to join us at one of our meetings, do come along. We are always pleased to see visitors and you will be made very welcome. We meet in Hampton Guide and Scout Community Hall on the second Thursday of the month at 7.30pm. For further information, please contact, Joyce Davey on 01386 443755.

## **St Andrew's Fellowship – July and August 2019**

Welcome back to all our readers, and members, after the summer break.

Once again the sun shone until the schools broke up, but we hope you were able to dodge the showers ( or heavier periods of rain!!) and get some rest and refreshment in!

But we in the St. Andrew's Fellowship kept going, to cater for those staying at home for whatever reason, but we did get out for the July and August meetings. In July, we went in cars to Hillers Garden Centre for a bit of retail therapy in their very well stocked shop, and for a cream tea! It was a lovely day, and everyone enjoyed themselves. At the end Shirley and I sloped off to their best kept secret – the bird hide, way out on the farthest corner of the site, where we spent a fascinating quarter of an hour watching a variety of birds coming to the feeders. We have seen deer in there in earlier occasions but not this time. The hide is well worth a visit next time you go.

In August we went coach to Hanbury Hall. It was my first visit, and I have to say I was much impressed - it is a little gem! The fact that our route to Hanbury took us via Hartlebury (!) did not detract from our day, but it did mean that we were a little later arriving than we had planned, so we did not have quite as long there as we had hoped. It was lovely to see so many young families being introduced to the wonders and mysteries of our stately homes, but it did make getting lunch a bit of a challenge! The café was so busy, they had begun to run out of many items on the menu! Having completed our obstacle race of getting our lunch some of us went out to the gardens which are absolutely delightful. Impeccably maintained by a small army of gardeners and volunteers, the formal gardens were a riot of colour. We found our way to the vegetable gardens, where serried ranks of every vegetable imaginable seemed to be growing. In one patch, not far from the house, they even had sea kale growing – and you can't get much farther from the sea than Hanbury! We just had time for a quick tour of the Hall where we learnt much about poor Queen Anne who has been so unfairly derided by many historians over the centuries. We returned home , tired but happy, (and by the much more direct route) after a wonderfully full day of exploration.

Looking ahead now, we return to the Hampton Club for the winter season of meetings. Our next meeting will be on 10 September at 2.00pm, when our visiting speaker will be Alan Tustin; whose talk is entitled “ A History of Wood Norton Hall”. This is a fascinating part of Evesham, so I know it will be good.

As usual everyone is welcome to join us for the afternoon – we aim to finish round about 4.00pm after the mandatory cup of tea and a biscuit.

Call John and Shirley Lynch 01386 553392 for further details.

## Bible Bite

A short story from the Bible

It can be read in the Bible in Judges 6:1-7, 11-16, 25-35

Once the Israelites had moved into their promised land, they obeyed God, but not for long, so God let other countries invade.

The Midianites invaded every year, and stole all the food the Israelites had grown.

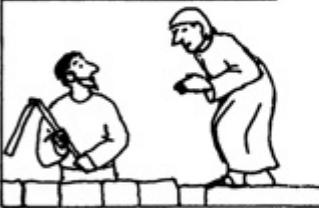

The Israelites had to hide in the hills.

After 7 years, the Israelites called out to God for help.

Gideon was secretly threshing wheat when an angel arrived.

The Lord is helping you, mighty warrior.

God said

I will give you the power.

But my clan is the weakest in our tribe and I'm the weakest in my family.

I'll be helping you. Start by pulling down the altar built for Baal and build one for Me.

Gideon did as he was told (but he waited and did it at night).

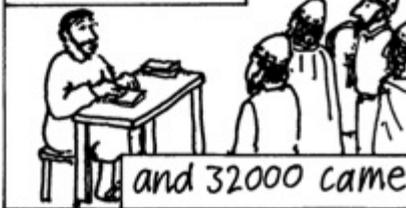

In the morning, people came to complain to Gideon's father

If Baal is upset, he can take his own revenge, can't he?

Gideon sent out messages to call men to fight the Midianites..

and 32000 came.

## *A Recipe from my time with family in Australia*

### **Caramel and Date Self-Saucing Pudding**

#### **Ingredients**

60g butter  
125ml milk  
225g dark muscovado sugar  
85g coarsely chopped dates  
150g self-raising flour  
435 ml boiling water

#### **Method**

- Set the oven at 180deg C.
- Mix butter, milk, 155g of sugar and the dates in a saucepan.
- Heat over a low heat, and cook for 2-3 minutes, stirring all the time.
- Remove from the heat, and stir in the flour.
- Put the mix into six 185ml ovenproof dishes.
- Sprinkle remaining sugar over the puddings.
- Pour the boiling water evenly over the puddings.
- Place on an over-proof tray and bake for 25-30 minutes.
- Remove from the oven and cool slightly for 10 minutes.
- Serve with a scoop of vanilla ice cream.

### **Autumn Equinox**

23 September is the autumnal equinox (if you live in the northern hemisphere) or the vernal (Spring) equinox (if you live in the southern hemisphere) The equinoxes occur in March and September, when the Sun is 'edgewise' to the Earth's axis of rotation, so that everywhere on earth has twelve hours of daylight and twelve hours of darkness.

### **Always on a Sunday**

The irate customer called the newsagents, loudly demanding to know where the Sunday edition of her newspaper was. "Madam," said the newsagent patiently, "We have not delivered your Sunday newspaper because today is Saturday. The Sunday paper is not delivered until tomorrow, on Sunday."

There was quite a long pause on the other end of the phone, followed by a sigh of wakening understanding. "Well, now ... so that's why no one was at church today!"
