THE HERALD

What does the LORD God want from you? To respect Him, walk in all His ways, and to love and serve Him. Deut 10:12-13

Even though I walk through valleys as dark as death, I will not fear any danger, because You are with me.
Ps 23:4

Those whose hope is in the LORD will find new strength. They will . . . run and not tire, walk and not faint.
Is 40:31

THIS IS WHAT THE LORD GOD SAYS, "STAND AT THE CROSSROADS AND LOOK. ASK FOR THE ANCIENT PATHS, THE GOOD ROADS. WALK IN THEM AND YOU WILL FIND REST FOR YOUR SOULS." JEREMIAH 6:16

Large Print editions of the magazine are available on request.

From the Bishop of Worcester – A Pilgrimage

In this article, Bishop John reflects on his recent pilgrimage on the Camino.

In 1987 the remains of a 15th Century pilgrim were discovered at the base of the tower of Worcester Cathedral. We know he was a pilgrim because he was buried with a staff and a cockleshell. The cockleshell was carried by medieval pilgrims (of which there were thousands) to Santiago in Spain, to the site where tradition has it that Jesus's disciple St James is buried. My wife, H-J, and I decided to follow in the Worcester Pilgrim's footsteps but use bicycles. We have just returned from cycling over 1000km on the ancient pilgrimage route to Santiago from the Pyrenees. That route is known as 'the Camino', 'the way'. Whilst on it we passed thousands of modern-day pilgrims from all over Europe and beyond. Since we were cycling, we generally went a bit faster than the walkers. Every time we passed someone, we greeted each other: 'Buen Camino'. There's no adequate English translation of that salutation but it's a wonderful one. I suppose 'go well' is probably the nearest.

Jesus is described as being 'on the way' a lot in the New Testament and Jesus himself is described as the Way, the Truth and the Life. The Greek word for 'Way' is first used to describe

the Christian faith in the Acts of the Apostles. That, we can infer, is how early Christians described their faith. That's how Paul referred to himself in his trial before Felix: 'I admit that I worship the God of our ancestors as a follower of the Way.'

We're all on a journey. Pilgrimage is a good way of understanding our lives: it gives them meaning and purpose. In this diocese we are on a journey together, being transformed as we seek to fulfil our Kingdom People Vision, living out values of love, compassion, justice and freedom. As we do so, we hope to become a healing presence in our communities.

Another greeting of medieval pilgrims on the way to Santiago was 'Ultreia', a Latin word meaning 'beyond'. Those of us who choose to travel with Jesus 'on the way' believe we are on a journey beyond the here and now, beyond this life.

I wish you a buen camino on that journey.

Bishop John

In our Thoughts and Prayers

“O Lord God, when thou givest to thy servants to endeavor any great matter, grant us also to know that it is not the beginning, but the continuing of the same to the end, until it be thoroughly finished, which yieldeth the true glory; through him who for the finishing of thy work laid down his life, our Redeemer, Jesus Christ”

Sir Francis Drake

At this time of new beginnings, we ask your blessing, Lord, on all who are starting at school, college, or university, also for those seeking work or starting new jobs.

We pray for the government under new leadership and that our country may be wisely led with concern for the poorest in society.

We remember farmers and those who provide our food, both at home and abroad. Many are struggling as a result of climate change.

May we all play our part in adapting our habits to show concern for the environment.

Let us give thanks for the opportunities we have for rest and relaxation and pray for those who work unsociable hours.

*‘O give thanks to the Lord for he is good:
and his mercy endures for ever. (Ps 106 v 2)*

Amen

Don't miss the World's Biggest Coffee Morning for MacMillan Cancer Support

The World's Biggest Coffee Morning is Macmillan Cancer Support's biggest annual fundraising event, held to support people living with cancer. People all over the UK either host or attend a Coffee Morning to raise money for Macmillan.

The official date is Friday 30 September, but a coffee morning to support MacMillan can be held at any time. From a group in the garden, sharing a coffee over a screen or a takeaway cake and cuppa, you can hold yours however you like.

Last year, 2021, Macmillan raised over £11 million and hopes to top that this year. Find out more at: <https://coffee.macmillan.org.uk>

Worcester Cathedral

SCIENCE - A dramatic sound and light installation that takes visitors on a journey of scientific discovery is coming to Worcester Cathedral this September

The SCIENCE event will see the interior of the majestic building transformed to take visitors on a journey of exploration and intrigue.

Created by award winning artistic duo 'Luxmuralis' – made up of sculptor Peter Walker and composer David Harper - sound and light art is projected onto the stunning architectural features within the Cathedral and visitors are enveloped with bespoke music as they make their way through the breath-taking installation.

SCIENCE is designed to explore and contemplate the contributions of science and human understanding of the physical world around us.

The artwork examines Chemistry and Biology and interprets artistically the scale of molecules, cells and DNA, as well as exploring the history of science, the contributions of science to humanity, and offers a reflection upon famous scientists past and present.

The artwork also respects the sacred space it is viewed within and offers contemplation of religion and science together within the Cathedral, offering reflection on the ways in which science and religion neither prove nor disprove the other; exploring how wisdom and beauty both serve to kindle our imaginations and enlarge our capacity for wonder.

Visitors hear bespoke filmic arrangements, composed and produced by David Harper, that capture the visuals and invigorate the senses. The artwork and visual imagery are created by Artist Peter Walker, who uses light as if painting on a canvas. Stephen Edwards, Vice-Dean of Worcester Cathedral, said: "We're very excited to be hosting SCIENCE in September, which promises to be a spectacular show, featuring an immersive internal sound and light journey that will transform the interior of our majestic Cathedral. Projects like this are very exciting and important for the Cathedral as they allow visitors to experience our magnificent building in a very different way.

SCIENCE will take place on the evenings of Tuesday 20, Wednesday 21, Thursday 22, Friday 23 and Saturday 24 September 2022.

Tickets, priced at £11 per person are available for timed entry. Under 3s are free, but a ticket will need to be booked.

For more information about the artists, please visit www.luxmuralis.com

When the Church first agreed that the Earth went around the Sun

It was only 200 years ago, on 11 September 1822, that the Roman Catholic Church admitted that the 16th century astronomer Galileo Galilei might have been right about the Earth orbiting the Sun. The College of Cardinals reversed the Church's condemnation of his ideas. Galileo had spent the last nine years of his life under house arrest for publishing his work on the subject.

Galileo (1564 –1642) was a brilliant scientist and a pious Catholic. Albert Einstein called him the father of modern science, and he was one of the first to state that the laws of nature were mathematical. He was not infallible, however: his theories on tides were quite wrong: he described the idea that the moon influenced them as “childish” and “occult”.

His support for heliocentrism, a theory that had existed since the Ancient Greeks, however, was spot on, but the consensus at the time – political, scientific and religious – held that the Earth was the centre of the universe, and that any other view was “foolish, absurd and heretical”. That was the conclusion of the Inquisition in 1615.

Some 17 years later, Galileo published his theories, but unfortunately in a way that alienated the Pope, who until then had given him support as a scientist. He was tried by the Inquisition, who found him “vehemently suspect of heresy”, forced him to recant, and subjected him to house arrest. It could have been worse.

The Cardinals' decision in 1822 was a bit late to help Galileo, but it represented a big shift for the Roman Catholic Church – though it was not until 1835 that his work was removed from the Vatican's list of banned books. And it was only in 1992 that Pope John Paul II conceded officially that the Earth was not stationary in the heavens. Eight years after that he apologised to Galileo for the way he had been treated.

Highest temperatures ever recorded

One hundred years ago, on 13 September 1922, the highest temperature ever recorded in the world was reported to be 57.7 Centigrade (136 Fahrenheit) in Al'Aziziyah in Libya.

This stood for nearly a century but was challenged at various times and eventually decertified by the World Meteorological Organisation in 2012, which believed there was a faulty reading. It was replaced by a record of 134F (56.7C), taken not in these heady days of climate crisis, but back in July 1913, at the aptly named Furnace Creek Ranch in Death Valley, California.

**JOHN MARTIN'S
FURTHER/HIGHER**

**CHARITY
EDUCATION GRANTS**

2022-2023

Students aged between 16 and the current State Retirement Age may apply for an educational grant if they are attending a University or College or are studying via the Open University. Qualifying courses include full and part-time HND, Degree and Post-graduate courses. Part-time vocational courses, including those being part of a modern apprenticeship, may also qualify.

Please enquire to see if your proposed course qualifies for a grant.

From 2022 onwards, the application process has changed:

The application period for HND/Degree courses will be open from 1 August until 31 October with grant payments being issued during January and February.

The application period for part-time vocational courses will be available until 30 June 2023.

Late applications will not be accepted.

To qualify for a grant, an applicant must be a permanent resident of the Town of Evesham or (if living away from home during term term) maintain a residential address in the Town.

Documentation to evidence residency in Evesham is required as part of the application. Grants will not be considered without this evidence, and information about this is detailed on the Application Form. Students aged 25 and over at the start of their course will also be subject to a full financial assessment.

Application Forms will be available from 1 August either from the Charity's Office or via the application forms page on the John Martin's Charity website: www.johnmartins.org.uk or by emailing student@johnmartins.org.uk

For all those who are sick, in special need or house- bound:

Ron Allen; Mary Andrews; Mark Bartlett; Victoria Brabin; Brenda Clarke; Harry Edwards; Ray Edwards; Sylvia Emson; Ann Fletcher; Clifford Lewis; Roberta Matthews; Joan Parry; Susan Sobey and David Twite

For those who have died, and all who mourn them:

Marcus Wood, Frank Walker, Thomas Blackwell, Patricia Kearsey, Jean Wright, Joan Gray, Rosalind Sutton, Ella Hardman, David Hawker, Evelyn Pilcher, Gillian Grinnell, Herbert Smith, Anthony Lee and William Wakefield.

Great & Little Hampton Education Charity (Registered Charity No. 702528) Trustees Report for the year 2021-2022

Trustees who served in the year

Tracy Dresch 15 Nov 2021 (Co-opted) for 5 years; Peter Griffiths 26 May 2021 (Worcester County Council); Frances Smith 20 May 2019 (Evesham Town Council); Craig Jennings 4 Nov 2020 (Co-opted) for 5 years; Rev Mark Binney ex officio Chair (from 2021). The Clerk to the Trustees is Mrs Liz Shephard

The Great & Little Hampton Education Charity exists to provide financial support, at the trustees' discretion, to residents of the parish who are under the age of 25 and engaged in education or an apprenticeship. The Charity can be contacted via our Clerk, Mrs Liz Shephard (hamptoneducationcharity@gmail.com)

We are 5 trustees who meet 3 times a year. At our meeting in November, we consider the main batch of applications and decide how best to disburse our income for the year. We meet a second time in January/February to consider any special business which may have arisen, and we hold our AGM in May or June.

Report

This year the Charity made 15 grants of £150. There was a disappointing number of applications. The Clerk confirmed that posters were emailed to all the local schools and colleges and that posters were displayed at the Cheltenham Road Post Office, The Hampton Farm Shop and the Hampton Spar.

The level of grant was more than the previous year. It was felt that this might help to compensate the students who missed opportunities due to the COVID-19 Pandemic.

The balance of the investment fund in November 2021 was £118,000 but this declined to £108,872 in February 2022 which reflects the current volatile financial crisis. There was no change to the investment strategy. It is expected that the annual income will be £3,130 available for grants in 2022/2023.

Changes in 2021 involved a change of Chair from Mr Jim Griffiths to Revd Mark Binney at the last AGM. Jim Griffiths was thanked for his long and dedicated service as a trustee and Chair. There was also a change of Clerk from Mrs Jan Dodwell (thanked in the previous AGM report) to Mrs Liz Shephard (effective from April 2021). The new Worcestershire County Council Trustee is Mr Peter Griffiths who started in November 2021. Mrs Tracy Dresch was appointed in November as a co-opted trustee.

Looking ahead we can be confident that because of the priority of the trustees in the past to safeguard the fund for future students and apprentices of Hampton parish, we will be in a position to fulfil the aims of the charity in the years to come.

Mark Binney. Chair

Great & Little Hampton Education Charity

Registered Charity No. 702528

Further & Higher Education and Training Awards Academic Year 2022-2023

Applications for grants* are invited by students who are under the age of 25 on 1 September 2022, and who reside in the Parish of Great and Little Hampton, Evesham.

From Hinton and Sedgeberrow ALM

I find it hard to think about writing for the autumn when it's a gazillion degrees outside. I hope you are all putting extra water out for your local wildlife and keeping hydrated yourselves too.

August is the lovely benefice month when we all visit the other churches and join together as the fabulous gang that we are. Alas, we still have this group mentality and it's something we need to snap out of. We need to join together more, work together more, look to the future together more. The Sedgeberrow fete had to be cancelled due to the wretched Covid, but we shall have had a coffee morning with extras on 25 August from 2-4pm – I hope you were all able to attend if this is out afterwards. That's the start of a busy week for me, I have a bat walk in Pershore on Friday 26th and one in Evesham on the Saturday 27th. Hopefully you all follow Evesham Bat Care on the internet and know about these two events to celebrate International Bat Weekend. If you missed them and want to go on one, let me know and I'll organise a bonus one for early September. And whilst it's boiling hot right now, we are looking towards autumn and our harvest services. Sedgeberrow will have theirs on Sunday 25 September, and Hinton will have theirs on Sunday October. Be generous for Caring Hands if you can please.

On the topic of sharing and caring, please keep an eye out on your pals and fellow congregation peeps. Check in with them, ask how they are doing. We will all be aware of the energy prices crisis, the worries over food prices rising and how we will manage if we go from these 40°C temperatures to a possible cold snap. Maybe invite someone for a meal if you know they are on their own. Be sensible with your leftovers, share love and kindness and an open heart and mind. Share money saving tips or ideas for keeping warm. Don't be embarrassed to be honest if you need help.

Above all, please stay safe. Wear your mask if you are worried about the increase in Covid numbers. Take the bonus jobs when invited. We need to look after each other more and more. **Michelle Young** **ALM for Hinton and Sedgeberrow**

SMILE LINE - When Adam met Eve

The topic for my class was palindromes, which are of course words or sentences that are the same read forward and backward. I asked the question 'What is the first thing Adam said to Eve?' I was expecting 'Madam, I'm Adam', but one student had a better reply: "Wow."

Smile Line - Hearing is not believing

A wise schoolteacher sent this note to all parents on the first day of school: "If you promise not to believe everything your child says happens at school, I'll promise not to believe everything he or she says happens at home."

Reflected Faith Series: The Awesomeness of God

Church buildings come in all shapes and sizes, and yet they can all be traced back to one of three basic designs.

They all have a Sanctuary which is the main altar or table area, and a Nave where the people stand or today, more usually sit. The simplest plan will have just these two areas.

The next would have a Chancel which is an area between the nave and the sanctuary, often marked by a step or a wooden screen and most often where the choir sits.

The third basic plan is the shape of a cross – cruciform. These churches often have a tower where the four arms meet, rather than it being at one end.

Church plans grew and changed when new worship styles were introduced, e.g. if you want to do processions you will need some space for them, and so aisles were brought about.

Every part of the building reflects something of the faith and thinking about God and the practicalities of worshipping Him.

If you can, have a look around the inside of a church building near you. What shape is it?

In particular, go up close to the sanctuary. In a Church of England building this area is likely to be grander, more highly decorated and even carpeted! The only people 'allowed' into this area are those directly involved in 'celebrating' the Communion or Eucharist.

This remembrance or celebration of Christ's body and blood taking place here makes it the most 'holy part' of the church: hence the area is separated from the chancel by a step or an altar rail to alert everyone that this is 'holy ground'.

What does this space say to you about how awesome God is?

Bible Study Meetings

Bible Study meetings take place at Hampton Vicarage, each Monday morning at 10.30 am.

Meetings resume again on 5 September 2022 - new members would be very welcome.

The area of study will be the Old Testament book of Nahum.

St Mary the Virgin, Sedgeberrow

Unfortunately, we had to cancel our Fete at the end of July, but as I write this, we are intending to hold a Summer Fete on 25 August, which hopefully will have taken place by the time the magazine is printed.

The following services have been held during July:

17 July	Christening	Christian Newey
2 July	Burial of Ashes	Patrick Duffy
13 July	Funeral	Pat Kearsey
28 July	Thanksgiving Service	Ella Hardman

**Our Harvest Festival Service Sunday,
25 September**

*The next Coffee Morning will be on
Thursday, 22 September*

Tree of Light 2022

Remembering a loved one this Christmas

The Rotary Tree of Light is there for people to remember loved ones whilst donating to charity. Every year around £14,000 is donated to charitable causes. Details of those charities supported to date are listed on our website:

www.therotaryclubofevesham.org.uk

Supporting Local Charities

The names of your remembered loved ones are published on our website, in the Evesham Journal newspaper and in the Book of Remembrance displayed in the Evesham Library.

To remember your loved ones and to donate please go to the website. You can do this in one of three ways:

Complete the online form
OR

Download a form and post it to
Evesham Rotary, PO Box 328
Evesham WR11 9FJ

OR

Ring 07764 528044 and
request a form to be sent to
you

Last date for donations - 2 December 2022

www.therotaryclubofevesham.org.uk

St Andrew's Fellowship

We have just returned from a grand day outing to the Birmingham Botanical Gardens. One or two declined because of the heat, but those 17 of us intrepid souls, who did brave the extraordinary conditions, had a wonderful day.

I don't know how they do it, but the roses are especially noteworthy now - blooming away like mad - and I don't think they are using excess water. They are having to be very careful too. But they looked and smelt delightful.

As you enter, you go through the tropical houses, and it has to be said that the signs on the doors asking visitors to keep them shut did seem a little superfluous, and in fact the doors were wedged open!

After a little sustenance, we made it to the butterfly house where there were lots of exotic butterflies flying around, in spite of being, so we were told: 'between broods'!

It was a rare treat to return to our air-conditioned bus for the journey home, but then we had to dismount into the heat of Hampton!

With the summer passing all too quickly, we begin to look now at our Autumn programme, when on September 13th, we will be enthralled by Margaret Daniels as she speaks to us about 'Poetry and Prose', and I have no doubt she will be giving us some examples.

I am sure our October meeting will be just as enthralling - but I hope no examples will be given out, as on October 11th we have a speaker coming to us from Severn Waste!!

Whatever else, we are bound to come up smelling of flowers on November 8th, when our good friend Anne Evans will be bringing a floral demonstration to encourage and delight us.

And then, Hush, in December we'll be beginning to think about the C word (Don't dare say it yet!!!!)

So, a really good and varied programme to be looking forward to.

Just don't forget the date of the next meeting - SEPTEMBER 13th - please put it in your diaries now, and if you would like any more information or details, or just to chat, please ring John or Shirley on 553392.

Everyone is welcome to our meetings at the Hampton Club (opposite the Spar Shop) - for more information, please contact John or Shirley Lynch on 553392.

Yours Shirley and John

RECIPE OF THE MONTH (REMINDER OF MY HOLIDAYS!)

Traditional Cornish Fairings

INGREDIENTS

- 220g plain flour
- 2 tsp baking powder
- 2 tsp bicarbonate of soda
- Pinch of salt
- 1 tbsp ground ginger (less for a more subtle flavour)
- 2 tsp mixed spice
- 110g butter, chopped into pieces.
- 100g caster sugar
- 4 tbsp golden syrup

METHOD

1. Heat oven to 200°C (180°C fan-based ovens) / Gas mark 6.
2. Line 2 large baking sheets with baking parchment or greaseproof paper.
3. Mix the flour, salt, baking powder, bicarb, spices and mixed peel in a large bowl.
4. Add the diced butter and rub in with your fingertips until the mixture resembles coarse breadcrumbs.
5. Stir in the sugar.
6. Warm the golden syrup gently, either by briefly heating it in a microwavable mug, or by gently warming in a pan, and add it to the dry mix.
7. Stir with a spoon, and then bring together with your hands to form a dough. (Add extra golden syrup or water if the mix doesn't hold together).
8. Pinch golf-ball sized lumps of the dough and space them out onto the baking sheet, with approximately 1 inch between them. (You can make them smaller if you like). Don't worry about making them perfectly spherical - they sink down anyway.
9. Bake for 8-10 minutes but keep an eye on them as they can burn quickly.
10. Let them cool on the baking sheet before moving them to a wire rack.

Enjoy!
