We keep in mind...

- ◆ Teachers and children preparing to return to school on 8th March. That they will be able to return safely and enjoy being with their classmates.
- ◆ All those whose businesses are being affected by lockdown or changes to trading with EU.
- ◆ All those who have lost their jobs or fear they will be made redundant once lockdown ends.
- ◆ The Yemeni people who are suffering famine and disease brought about by continuing conflict in their country. That there is resolution to stop the fighting.
