FOR OUR PRAYERS

We keep in mind...

All the civilians caught in renewed fighting in Idlib, Syria. That they are kept safe and a ceasefire is called soon.

That the ceasefire between Israel and Palestine holds. All those killed, injured and made homeless by the fighting.

All the nurses who work tirelessly to help the sick, injured and frail. That their own health is safeguarded as they do their important work.

Families in our communities and town who are struggling financially and those who are trying to provide them with help and support.
