- ◆ All those who are living with unrest and conflict, that peace is achieved and they are able to rebuild their lives and live in harmony. That there is a ceasefire in Yemen, Israel and the Sudan which can be sustained.
- ◆ All the areas and people who are being affected by drought and famine. That they get the rain they need for their crops
- ◆ The people of the Ukraine who have been killed, injured or displaced by the actions of Russia on the anniversary of the invasion.
