We keep in mind...

- ◆ The situation in Israel and Palestine. For all those who have been killed, injured or taken hostage. Those in Gaza who are without food, water and power. That peace can be bought to the region.
- ◆ All those remembering members of the armed forces who have served during wars; those who have died for their country and those who are suffering from injury.
- ◆ All people in this country and around the world being impacted by earthquakes, storms, wildfires and other weather events, especially those who have died or lost their homes. That those who can make a difference take the best decisions.
- ◆ The people of the Ukraine who are still resisting the invasion of their country. All those killed. All those injured who need medical assistance and rehabilitation.
