- ◆ The situation in Israel and Palestine. For all those who have been killed, injured or taken hostage. Those in Gaza who are without food, water, medical facilities and power. That peace can be bought to the region.
- ◆ All those who are working to make changes in their local environment to improve the lives of those who need help and enhance the environment.
- ◆ All those in this country who are homeless especially those who are sleeping on the streets as the winter progresses. That they are given help to find shelter and families are able to get a new home and security.
- ◆ Children living in poverty without food and basic necessities.
- ◆ The people of the Ukraine who are still resisting the invasion of their country. All those killed. All those injured who need medical assistance and rehabilitation.
