We keep in mind...

- ◆ All the areas of conflict around the world, that the peaceful resolutions will continue to be sought and permanent solutions found so people can live together.
- ◆ All the millions of displaced people who are trying to find refuge from conflict, war, drought, famine or intolerance.
- ◆ For all those who are having issues finding dental treatment either on NHS or privately especially children.
- ◆ All those new parents adjusting to the arrival of a baby, trying to get settled into a new way of life and working with lack of sleep.
