We keep in mind...

- ♦ All the areas of conflict around the world, that the peaceful resolutions will continue to be sought and permanent solutions found so people can live together.
- ♦ All the millions of displaced people who are trying to find refuge from conflict, war, drought, famine or intolerance.
- ♦ For all those who have been killed, injured or displaced by earthquakes and other natural disasters. That those missing are swiftly located.
- ♦ All those who are taking pleasure from watching birds building their nests, sitting on eggs and raising their young—whether in person or via video links.
