### We keep in mind...

- ◆ All the areas of conflict around the world, that the peaceful resolutions will continue to be sought and permanent solutions found so people can live together.
- ◆ For all those who have died in the service of the defence of their country and those who have been injured and maimed during active service. That they get the support needed to start a new life outside the armed forces.
- ◆ All family carers who dedicate so much of their lives to caring for loved ones whatever the relationship. Those people who look after friends and neighbours in times of need.
- ◆ All those killed and displaced by extreme weather events.
