#### Vestry Upgrade

It is anticipated that the work on the replacement of the vestry floor will commence week commencing 15th September. To facilitate the work a temporary storage space will be created at the back of the church to house the essential equipment which is currently kept in the vestry. Once the vestry floor has been replaced it is hoped that the installation of the toilet and kitchen area can begin but there is no timetable for this as yet.

#### We keep in mind...

- ◆ All the areas of conflict around the world, that peace will be bought to bear and permanent solutions found so people can live together in harmony.
- ◆ All children and teachers returning to school especially those starting school or moving to the next stage of their education.
- ◆ All those killed and injured in earthquakes around the world and all those trying to rescue and tend to them.
- ◆ For all those who are impacted by extreme weather events.
