We keep in mind...

- ◆ All the areas of conflict around the world, that peace will be bought to bear and permanent solutions found so people can live together in harmony.
- ◆ All the sailors who are caught up in the problems with the Strait of Hormuz, that they have the supplies they need and are able to proceed on their journeys.
- ◆ Everyone who suffers from hay fever and finds this time of year difficult especially students studying for their exams. That the medication works for them.
- ◆ For all those who are impacted by extreme weather events.
