Continuing works in Church

The font is shedding stone and there are cracks in the floor at front of the altar. We are employing a conservator to prepare a report on the repair of these items.

The five yearly inspection showed issues with the Apex Cross and this will be repaired.

The Faculty for the repair of the clock has been received and we are waiting for a repair schedule from Time Assured.

We will keep you updated on these repairs.

St Andrew's is fitted with a loop system. To use this please switch hearing aids to 'T'

Gluten free Communion breads are available in all of our churches. If you require one, please mention this to the 'welcomers' or one of the Church-wardens.

We keep in mind...

- ◆ All the areas of conflict around the world, that peace will be bought to bear and permanent solutions found so people can live together in harmony.
- ◆ All of those being impacted by the hot weather—that everyone is able to keep cool and stay safe.
- ◆ All the children leaving their current school, whether they are going onto senior school, university or college or work. That they successfully transition to the next stage.
- ◆ All those who are impacted by extreme weather events around the world.
