Continuing works in Church

The font is shedding stone and there are cracks in the floor at front of the altar. We are employing a conservator to prepare a report.

The five yearly inspection showed issues with the Apex Cross and this will be repaired. The Faculty for the repair of the clock has been received and we are waiting for a repair schedule from Time Assured.

We keep in mind...

- ♦ All the areas of conflict around the world, that peace will be bought to bear and permanent solutions found so people can live together in harmony.
- ♦ All of those being impacted by wildfires at the UK and in France and Spain. For the firefighters heroically fighting the fires.
- ♦ For all parents trying to manage work and childcare during the holidays especially those for whom the holiday brings additional expense. All those providing childcare.
- ♦ All those who are impacted by extreme weather events around the world.
