Developing a Culture of Welcome!

On Saturday, 12th November 2011 from 9am until 1pm at St Peter's Baptist Church, Worcester there is an open invitation to meet and hear Mark Hope-Urwin, who was a Customer Service Manager with John Lewis before he retired. Mark has been passing on his skills of developing a Culture of Welcome and has applied them to the Church.

A group from St Andrew's recently went to a similar event and found it inspirational with lots of practical ideas.

As one of central parts of our vision is **to welcome all** this event would be valuable to us all but particularly sidesmen. Further details are on the notice board.

Our Benefice is part of the Asum Group
