Bishop John, Denise and their family.

We ask you for your prayers for Denise who has been diagnosed with cancer. Bishop John and his family are hoping and praying with all their hearts that it will respond to chemotherapy.

It's a very hard and anxious-making time and your prayers for God's healing touch on Denise would be greatly appreciated, and also for the children, aged thirteen and nine, for whom this is very difficult. Bishop John would be grateful not only for your ongoing prayers during the coming months but also for your understanding as he tries to juggle his responsibilities as our Bishop with his duty to care for Denise and the children. Chemotherapy is very debilitating and it is going to be a very demanding time.

Please also find time to pray for all others who suffer from or who are affected by cancer.
