FOR OUR PRAYERS

We keep in mind...

All peoples caught up in warfare and conflict around the world. That those working to bring peace are successful and are able to bring stability to these areas.

All those who are living with dementia. Their families and those who care for them. The doctors who are seeking to find ways of curing the disease and stopping those becoming afflicted.

Families in our communities and town who are struggling financially and those who are trying to provide them with help and support.
