FOR OUR PRAYERS

We keep in mind...

All peoples caught up in warfare and conflict around the world. That those working to bring peace are successful and are able to bring stability to these areas.

For all children who are missing from home and their families who are searching for them. May they be reunited.

Families in our communities and town who are struggling financially and those who are trying to provide them with help and support especially those with children who find it hard when they are not at school.

From the Pews.

People who persecute others because of their Gender.
