**FOR OUR PRAYERS**

**We keep in mind...**

All those still affected on the second anniversary of the fire at Grenfall Tower, for those still waiting for a permanent home and those who are suffering mental health issues. All people who are missing from home and their families who are searching for them. May they be reunited. All those affected by heatwaves in India where the temperatures are as high as 50°C especially those in areas where there are water shortages. The 75th anniversary of D-Day and the veterans who are still remembering their fallen comrades. For all those of all nations who gave their lives to bring peace.

**Prayer from the Pews....**  
Young adults with Mental Health issues. That they may have more support and guidance.
